FRIDAY, JUNE 27 BRIDGE
Bidding quiz
 You are South, both sides vulnerable. The bidding has gone:

South	West	North	East
1 ♥	Pass	2 ♠	Pass
2 ♥	Pass	2 ♠	Pass
?			

 What would you bid now with each of the following four hands?
 1. ♠ KJ64 ♥ QJ9852 ♦ AK ♣ 3
 2. ♠ 832 ♥ AKJ964 ♦ J5 ♣ K3
 3. ♠ 95 ♥ AQ8753 ♦ AQ ♣ Q102
 4. ♠ AJ ♥ KJ7542 ♦ 93 ♣ K86
 * * *
 1. **Four spades.** The value of a hand goes up and down as the bidding progresses. Here, when you open the bidding, your hand is considerably better than a minimum opening bid. Although you have only 14 high card points, the 4-6-2-1 distribution increases the value of the hand by two or three points, pending subsequent developments in the bidding. When partner bids two clubs, your hand certainly does not improve and actually shrinks somewhat in value. The club response doesn't help your hand one bit, and about all you can count on at this stage is your 14 high-card points. But when partner next bids spades, the situation changes again. Your hand becomes worth an additional three or four points in distributional values, and you show this by jumping to four spades to inform partner about the improved nature of your hand.
 2. **Three hearts.** This time, you have no choice but to stick to your story that you opened with minimum values, since neither of partner's responses has helped you at all. Partner might go on, depending upon his hand, but you've done your duty by hoisting a red flag.
 3. **Three notrump.** Your two-heart bid on the preceding round was a slight underbid, and you now make up for it by jumping to three notrump. A two-notrump bid at this point would make it appear that you started with a bedrock minimum, which is clearly not the case.
 4. **Three clubs.** All you can do here is to show a simple preference for partner's first suit. How partner proceeds in the face of your two minimum rebids depends on the nature of his hand, but he has been warned not to expect anything more than what you have described.
 Tomorrow: Sherlock Holmes.

Horoscope
FOR FRIDAY
ARIES (March 21-April 19) This is a great day to socialize. It's also a marvelous day to pursue artistic projects, because your creative energy is very much alive. A flirtation or romance with someone older or of an age difference might take place for some. It's a good day to make plans for social occasions or future vacations. Tonight: Socialize!
TAURUS (April 20-May 20) Practical discussions with family members will be productive today, especially if you want to do home repairs or explore real estate ideas. These discussions will be a curious mix of pie-in-the-sky wishful thinking plus practical, realistic options. Tonight: Cocoon.
GEMINI (May 21-June 20) You are the wordsmith of the zodiac, and you're also an idea person. Today someone older or more experienced might have advice for you. Meanwhile, you're in a practical frame of mind and interested in discussions about what can be done. Nevertheless, your imagination is at play. Tonight: Discussions.
CANCER (June 21-July 22) Respect your moneymaking ideas today, because for the most part, they will be doable. You might make long-range plans for the future. Nevertheless, you'll also explore some serious choices or consider a luxury purchase. With lucky Jupiter in your sign you feel like a winner! Tonight: Check your belongings.
LEO (July 23-Aug. 22) Today the Moon is in your sign lined up with chatty, playful Mercury, which makes you want to talk about your feelings to others. You need to interact with someone. Fortunately, it's a good day to gather information. Get your data and make decisions later. Tonight: You win!
VIRGO (Aug. 23-Sept. 22) Recently, you've been active because fiery Mars is in your sign, boosting your energy and giving you drive and focus. (This is good.) And you've been popular with friends and groups. However, today, you might want to pull in your reins and "hide." Is it time to catch your breath? Tonight: Enjoy privacy.
LIBRA (Sept. 23-Oct. 22) This is a strong day for you, because with both the Sun and Jupiter at the top of your chart, you look successful, even affluent. This advantage might help you go after what you want. Meanwhile, discussions with friends, especially younger people, and groups will be productive. Tonight: Be friendly.
SCORPIO (Oct. 23-Nov. 21) You're high-viz today, which is something you might turn to your advantage, especially if you're having serious talks with co-workers or issues about your health or a pet. People will see you as reliable and realistic yet open to imaginative ideas. Your people skills are excellent today. Tonight: You're admired.
SAGITTARIUS (Nov. 22-Dec. 21) Do something different today. Shake things up a little, because you need a change of scenery -- maybe a chance to travel or an opportunity to talk to someone who can teach you something stimulating, fresh and different. You're ready for action and you want to make things happen! Tonight: Explore and learn!
CAPRICORN (Dec. 22-Jan. 19) Financial discussions will go well today, especially about loans, debt, mortgages or anything to do with shared property. You might put things in place that will benefit your home or family. Meanwhile, this is a lovely day to socialize. Accept invitations to schmooze. Tonight: Check your finances.
AQUARIUS (Jan. 20-Feb. 18) Today you'll have to go more than halfway when dealing with others to keep things on an even keel. This is no big deal; you can handle this. Meanwhile, redecorating and fixing up where you live will please you. You also might enjoy entertaining at home. Tonight: Cooperative.
PISCES (Feb. 19-March 20) Plan on getting a lot done today. You're motivated to get results. Nevertheless, this is also a fun-loving, playful day. Enjoy schmoozing with others. You will also feel gratified to encounter the beauty of your daily surroundings today. Tonight: Get organized.
