State Auditor releases BCSO tax settlement audit

BY THE HERALD-NEWS

State Auditor Allison Ball on Monday released the audit of Breckinridge County Sheriff Billy Richardson's 2023 tax settlement.

State law requires the auditor to annually audit the accounts of each county sheriff. In compliance with this law, the auditor issues two sheriff's reports each year: one reporting on the audit of the sheriff's tax account, and the other reporting on the audit of the fee account used to operate the office.

Auditing standards require the auditor's letter to communicate whether the sheriff's settlement presents fairly the taxes charged, credited, and paid

in accordance with accounting principles generally accepted in the United States of America. The sheriff's settlement is prepared on the regulatory basis, which is described in the auditor's opinion letter. Regulatory basis reporting for the sheriff's settlement is an acceptable reporting methodology, and this reporting methodology is followed for all 120 sheriff settlements in Kentucky.

The sheriff's financial statement fairly presents the taxes charged, credited, and paid for the period Sept. 1, 2023 through Aug. 31, 2024 in conformity with the regulatory basis of accounting, according to a press release from Ball's office.

The auditor noted no instances of

noncompliance. The auditor also noted no matters involving internal control over financial reporting and its operation that were considered material weaknesses.

The sheriff's responsibilities include collecting property taxes, providing law enforcement, and performing services for the county fiscal court and courts of justice. The sheriff's office is funded through statutory commissions and fees collected in conjunction with these duties.

The audit report can be found online at [auditor.ky.gov/Auditreports/Breckinridge/2023BreckinridgeSTS-audit.pdf](http://auditor.ky.gov/Auditreports/Breckinridge/2023BreckinridgeSTS-audit.pdf).
