natural and essential part of the game — whether it’s strategy, encouragement or clarification, but having multiple meetings in a half-inning adds additional time that lengthens a contest and is not in the best interest of the game,” Hopkins said. “A charged conference, however, involves direct coaching intervention with either a coach or a non-

playing representative and is intended to provide instruction. The distinction ensures we honor both the flow of the game and the role of coaching.” Two rules changes were approved to bring the Baseball Rules Book in line with all NFHS rules. Language added to Rule 1-4-4 allows a school’s name, nickname, logo, mascot and/or player’s name to be permitted on a uniform top and/or pants beginning in 2027. In addition, Rule 1-6-3 states that “no player shall

wear any audio (microphone) or video (camera) device during the game.” A complete listing of the baseball rules changes will be available on the NFHS website at www.nfhs.org. Click on “Sports” at the top of the home page and select “Baseball.” According to the 2023-24 NFHS High School Athletics Participation Survey, baseball is the fourth-most popular boys sport with 471,701 boys participating in 16,146 high schools across the nation.
