Kentucky

fishing and hunting licenses available

Licenses and permits are available to fish, hunt and trap in Kentucky. With some of the finest outdoor opportunities available anywhere, Kentucky's fields, woods and waterways provide adventure for avid outdoors enthusiasts and newcomers alike.

The 2025-2026 license year started on Saturday, March 1, and runs through Feb. 28 of next year. License and permit fees for Kentucky residents are unchanged from the 2024-2025 license year and most non-resident fees remain the same.

In Kentucky, a license covers basic hunting or fishing for many species, whereas additional state permits are required when pursuing specific other species, such as fishing for trout or hunting for migratory birds, deer, wild turkey or black bear. Sportsmen's-type licenses include multiple permits as well as basic hunting and fishing privileges.

For the 2025-2026 license year, prices for four non-resident options reflect a moderate fee increase, including: Annual Hunting License (nonresident) - \$160; Spring Turkey Permit (non-resident) - \$110; Turkey Permit (non-resident) - \$110; Deer Permit (non-resident) - \$235.

Introduced last year, the resident Senior Lifetime Sportsman's License remains priced at \$180. It includes hunting and fishing licenses plus permits for trout, deer, spring and fall turkey, migratory game birds and waterfowl. It is available to Kentucky residents aged 65 and older, who can purchase it once and then simply carry an electronic copy or reprint each year to display the current license year.

Seniors in Kentucky still have the option to purchase an annual Senior Sportsman's License that provides the same licenses and permits for the license year for just \$12. Resident anglers have the option to purchase an cont to page 2
