## Public Notices

Blasting will be conducted each day, Monday through Saturday between the hours of sunrise and sunset. This schedule will be in effect after issuance of the permit and will continue until termination of construction of the mine site. Any major alterations of this blasting schedule will be published. Unscheduled blasting may occur in emergency situations where rain, lightning, or other atmospheric conditions or the safety of the operator or public requires unscheduled detonation. Prior to any unscheduled blasting the appropriate blast warning signal as discussed below will be given as notification of said unscheduled blasting.

Control of the blasting area will be maintained by blocking all roads a minimum of 1000 feet from the blast area. Post detonation access to the blasting area will be allowed only after inspection and determination that no hazards exist and the All Clear Signals have sounded. A pre-detonation warning consisting of:

**Blast Warning Signal** – Shall consist of a one (1) minute series of three (3) long blasts from a siren five (5) minutes prior to the blast signal.

**Blast Signal** – Shall consist of three (3) short blasts from a siren, one (1) minute prior to the blast.

**All Clear Signal** – Shall consist of a prolonged blast from a siren following the blast and inspection of the blast site.

These signals will be audible within one-half (1/2) mile of the blasting site. Each person within the permit area and each person who resides or regularly works within one-half (1/2) mile of the permit area shall be notified of the meaning of the Blast Signals. This will be done at the same time that they are informed of the procedures for obtaining a pre-blast survey.

### NOTICE OF BOND RELEASE

In accordance with KRS 350.093, notice is hereby given that Triple H Fuels, Inc., 17 Foxwood Drive, Corbin, KY 40701 has applied for a combined Phase I & II bond release on Increment 2 of Permit #807-5309, which was last issued on 11/21/2023. The application covers an area of approximately 79.44 acres located approximately 2.9 miles northeast of Stoney Fork, Kentucky in Bell County. The permit area is approximately 2.1 miles northwest of Big Run Road's junction with KY Route 221 and located at the heads of James York Branch and Stoney Fork. The bond now in effect on Increment #2 is a surety bond of \$287,100.00. Approximately 60% of the original bond amount is included in the application for release.

Reclamation work performed includes backfilling, grading, fertilizing, seeding, and mulching completed in October 2013.

Written comments, objections, or requests for a public or informal conference must be filed with the Director, Division of Mine Reclamation and Enforcement, 300 Sower Blvd., Frankfort, KY 40601, by July 7, 2025.

This is the final advertisement of the application. A public hearing on the application has been scheduled for 9:00 A.M. on July 8, 2025, at the Department for Mining Reclamation and Enforcement's Middlesboro Regional Office, 1804 East Cumberland Avenue, Middlesboro, KY 40965-1229. The hearing will be cancelled if no request for hearing or informal Conference is received by: July 7, 2025
