

Boston Celtics sign coach Mazzulla to a multiyear contract extension

BY KYLE HIGHTOWER
ASSOCIATED PRESS

BOSTON — Boston Celtics president Brad Stevens has said throughout the offseason that that team wanted Joe Mazzulla to be its coach for a long time.

It made that more than a proclamation Friday, announcing it has signed Mazzulla to a multi-year contract extension. Length and details of the new deal were not released.

In a statement, Mazzulla called his new pact with the team “a blessing.”

“I would not be here without my faith, my wife, and my children,” Mazzulla said. “We are thankful for the partnership with our ownership groups, Brad’s mentorship, and the support of our staff. Most importantly, I am grateful for the players I have been able to coach the past three seasons. I look forward to competing for the Celtics and the city of Boston.”

Mazzulla, 37, is coming off his third season as Boston’s coach and has guided the team to the playoffs each season, including the franchise’s 18th

NBA title to cap the 2023-24 season. He was the youngest head coach to win the NBA Finals since the 1968-69 season, when 35-year-old Bill Russell led the Celtics to the championship as a player-coach.

Under Mazzulla, the Celtics have won at least 57 games each of those seasons and topped 60 victories in each of the last two.

Though Stevens has never publicly discussed the details of Mazzulla’s contract, the coach was initially given an extension shortly after having the interim tag lifted in February 2023. Stevens confirmed in June that Mazzulla had received at least

one additional extension prior to his latest one.

LEGAL NOTICE

**PUBLIC NOTICE
2025 PROPOSED TAX RATE
PUBLIC HEARING**

The Hardin County Fiscal Court will hold a public hearing on 26 August 2025 at 5:30 P.M. in the Hardin County Government Center, 150 N. Provident Way, 3rd Floor, Elizabethtown, Kentucky, for the purpose of obtaining comments from the public regarding the proposed tax rate.

The real property tax rate levied last year was 11.1 cents per \$100 of assessed value to potentially produce real property revenue in the amount of \$9,582,236 and the actual revenue produced was \$8,866,325. This year’s proposed tax rate of 10.8 cents per \$100 is projected to produce a total of \$10,338,595 in revenue from real property. Included in this amount would be \$303,097 revenue from “new real property” (net increase in the property added to the tax roll for the current year)

This year’s compensating rate is 10.4 cents per \$100 of assessed value and would potentially produce total revenue from real property in the amount of \$9,955,684 if adopted. This year’s 4% growth rate would be 10.8 cents per \$100.00 of assessed value (the same rate proposed) and would potentially produce total revenue from real property in the amount of \$10,338,595.

The proposed rate for Personal Property, Business Inventory, Documented/Non KY Registered Watercraft and Aircraft is 12.3 cents per \$100 of assessed value with potential revenue from Personal Property of \$1,227,585; Motor Vehicle and Watercraft, remains unchanged at the current rate of 11.5 cents per \$100 of assessed value with revenue potential from Motor Vehicle to be \$1,259,598; revenue potential from Watercraft is \$29,422.

Revenue received in excess of last year’s revenue will be used for general government expenditures.

Per Ordinance No. 337, Series 2023, the Industrial Taxing District Ad Valorem Tax Rate is ten cents (\$.10) per one hundred dollars (\$100) of the assessed valuation of the Commercial and Telecommunications parcels within the district.

Presentation of testimony per KRS 65A100 relating proposed taxes will be provided by the following: Hardin County Extension Service; Hardin County Health Department and Hardin County Conservation District.

The Kentucky General Assembly requires that the Hardin County Fiscal Court publish this notice with the above information contained herein.
