Not even Scheffler liked that. But it at least rewarded the players who performed the best throughout the year.

Now the 30 players who emerge from the BMW Championship this week will all start from scratch at East Lake, and the low score wins.

The “season-long champion” could be someone who wins for the first time all year.

How is the FedEx Cup trophy any different from the old Tour Championship trophy?

three passes for 25 yards over the course of his two series with the first-team offense. The Bengals scored on their first two possessions with Joe Burrow and the first unit on the field, but ended up losing 34-27.

Cincinnati's second pre-season game is Monday night at Washington.

“With the speed and the way he’s able to use it coming out of the backfield, I don’t think he really gets credit for the way he actually runs the ball,” said Bengals safety Geno Stone, who faced Brown in 2023 when Stone was in Baltimore. “He’s a guy who can run the ball between the

tackles or outside of the tackles. He has really good balance. When he hits the hole and gets through, he’s gone.”

The Bengals are redesigning their run scheme this year around Brown’s strengths. Heading into 2025, the Bengals coaching staff had a series of meetings to determine how they wanted the run game to evolve.

“At the end of the conversation, it wasn’t about what we think looks good on the board,” running backs coach Justin Hill said. “(It was) what is Chase good at? How can we showcase his tools in the run game and in the pass game? Where we have in the run game right now is pretty true to who we think Chase is and what he can be.”
