He replied, "If you don't take my money, you'll take away my blessing of helping you." Is there really a blessing in giving or was he just trying to get me to take his money?

A: Yes, there's a blessing for people who give! "It is more blessed to give," said Jesus, "than to receive" (Acts

Another unique aspect of the agricultural development fund has been the educational contribution provided through the Cooperative Extension Service and Kentucky Beef Network. All agricultural development

In addition to the agricultural development cost share, some of the master settlement agreement funds are provided to the Kentucky Agricultural Finance Corporation. The mission of KAFC is to strengthen Kentucky agriculture by providing access to low-interest loan programs through joint partnerships with local lending institutions. KAFC finances beginning farmers, farm families, and agribusinesses with capital to establish, maintain, or expand their agricultural oper-
