

Main Street Moments: It's about to get Wild on Main Street!

DARLENE SNOW
SHELBY MAIN STREET

Spring has arrived and the beautiful weather makes it a perfect excuse to head outdoors and enjoy the sunshine...and downtown!

We have our first event of the season happening on Saturday, May 10 from 10am to 3pm. It's our Wild about Shelbyville Arts and Music Festival. This event is a "walk around town" event that focuses on our downtown business and also the artists in our community. We will have vendors set up at Stargazer Plaza, on Sixth Street, in front of the Old Courthouse, and at the park in front of Centenary Church. We'll have live music at Stargazer Plaza, on Sixth Street, and on the steps at the Old Courthouse. We have kids games, the Jigsaw Jamboree, painting, and coloring at Stargazer Plaza. We'll also have face paintes and balloon artists! Also...from 2pm to 3pm you can sample yummy treats (savory and sweet) at our Bourbon, Bacon, and Butter Bake-Off This will be help upstairs at Last Stop Brewing. If you'd like to participate in the Bake-Off, please let me know as we'll get you registered. Information can be found on our website ShelbyMainStreet.com/wildaboutshelbyville.

Are you new to the area or maybe you haven't been downtown in a while and don't know what there is to do? Well, sit back, pour yourself a cup of coffee and let me tell you a little about what our fabulous downtown has to offer!

Did you know that we have shops, eateries, and service businesses all up and down Main and Washington Streets? That's right! We are fortunate enough to have

businesses that fill our downtown buildings all along Main and Washington.

We have several boutique clothing stores; a vintage clothing store; a children's clothing store; a hat boutique; gently used clothing and furniture and household items; home furnishings, a boutique with wedding and specialty attire; gift shops; shops with local and customized items; a consign-

ment store that includes new and custom saddle attire, accessories, and gifts; a horse supply and equipment shop; we have florists in our downtown area; specialty gift shops; two antique shops, collectibles; salons; barbershops; nail salons; massage and yoga studios; shops that have goat milk products; galleries with local artists' works, including pottery, paintings, and photography; spots

with books written by our local authors; shops with plants; and let's not forget our fur babies – yes, there's a shop for them, too!

We have several restaurants downtown and one new one has their soft opening this week! We have another shop that will be opening any day now and they specialize in yummy cheeses and a variety of goodies in jars and fun snacks...and they will be offering panini options. There are lots of delicious food options, prepared by wonderful chefs that include brunch, lunch, and dinner – their menu items are yummy! Our café includes sweet treats as well as a great variety of lunch options and one of our coffee spots offers light breakfast and lunch options.

After you enjoy your meal, why not stop by and have some sweet treats...and boy do we have some fabulous options! From gelato and ice cream to candy creations and chocolate treats, cakes, and deliciously infused sweets, and snow cones...our downtown has it all!

Need a refreshment? We've got that covered too! From our two wonderful coffee spots, with numerous hot and cold options – including frozen and iced drinks, to adult beverage spots that will have your favorite sports game on the TV, you're certain to find what you're looking for downtown!

We also have so many different types of service businesses, non-profit organizations, churches and incredible Airbnbs! We also have fun sculptures around town and a couple murals, including a tile mural that our community painted!

We have new businesses set to open and we're incredible grate-

ful to have minimal building vacancies. Downtown, along Main and Washington, is the place to be! And...there is parking! Lots at Sixth and Henry Clay, behind Stargazer Plaza, next to the VFW off Main, and there's a lot at Second Street and actually along the streets and side streets.

So much to see and do downtown!

As I mentioned, our event season kicks off on May 10 and the following is a list of the different events we have coming up this year. These are just Shelby Main Street events and there are many more throughout the city and county. You can check out our online calendar, which also lists more events county-wide.

NOTICE TO CUSTOMERS OF KENTUCKY UTILITIES COMPANY

RECOVERY BY ENVIRONMENTAL SURCHARGE OF KENTUCKY UTILITIES COMPANY’S 2025 ENVIRONMENTAL COMPLIANCE PLAN

PLEASE TAKE NOTICE that in an April 30, 2025 Application, Kentucky Utilities Company ("KU") is seeking approval by the Kentucky Public Service Commission ("Commission") in Case No. 2025-00105, pursuant to Kentucky Revised Statute 278.183, of an amended compliance plan ("2025 Plan"). (Collectively, KU's Application and supporting testimony and exhibits are KU's "tariff filing.") If approved, KU will begin recovering capital costs associated with a new pollution control facility in the 2025 Plan under KU's existing Electric Rate Schedule ECR (also known as the Environmental Surcharge tariff) through an increase in the environmental surcharge on customers' bills beginning in December 2025.

KU filed an application with the Commission on February 28, 2025, in Case No. 2025-00045 seeking approval to construct a selective catalytic reduction system at the Ghent generating station to reduce nitrogen oxide (NOx) emissions, which are a precursor to ozone. In Case No. 2025-00105, KU is seeking an order approving the 2025 Plan to recover the costs of this new pollution control facility through its Environmental Surcharge tariff. This project will help ensure ongoing compliance with regulations issued under the federal Clean Air Act as amended, including the National Ambient Air Quality Standards for ozone.

The estimated total capital cost of this new pollution control facility is \$152.3 million. Additionally, KU is requesting recovery of future incremental capital and operation and maintenance expenses associated with this new pollution control facility. KU is also asking to recover the cost of publishing this customer notice through the Environmental Surcharge over 12 months and to have Environmental Surcharge recovery of future Commission-approved administrative expenses, including customer notice costs.

Beginning in December 2025, the initial bill impact for KU's Group 1 customers is estimated to be a 0.01% increase with a maximum increase of 0.81% in 2029. Group 1 includes Rate Schedules Residential Service (RS), Residential Time-of-Day Energy Service (RTODE), Residential Time-of-Day Demand Service (RTODD), Volunteer Fire Department Service (VFD), All Electric School (AES), and all Lighting Rates (i.e., LS, RLS, LE, and TE).

RS and VFD customers using 1,085 kWh/month could expect a monthly increase of \$0.01 up to \$1.09. RTODE customers using 1,043 kWh/month could expect a monthly increase of \$0.01 up to \$1.14. RTODD customers using 987 kWh/month could expect a monthly increase of \$0.02 up to \$1.80. AES customers using 25,620 kWh/month could expect a monthly increase of \$0.30 up to \$24.28. LS and RLS customers could expect a monthly increase of \$0.00 up to \$0.12. LE customers using 2,473 kWh/month could expect a monthly increase of \$0.02 up to \$1.59. TE customers using 147 kWh/month could expect a monthly increase of \$0.00 up to \$0.15.

Beginning in December 2025, the initial bill impact for KU's Group 2 customers is estimated to be a 0.01% increase with a maximum increase of 1.10% in 2029. Group 2 includes Rate Schedules General Service (GS), General Time-of-Day Energy Service (GTODE), General Time-of-Day Demand Service (GTODD), Power Service (PS), Time-of-Day Secondary Service (TODS), Time-of-Day Primary Service (TODP), Retail Transmission Service (RTS), Fluctuating Load Service (FLS), and Outdoor Sports Lighting Service (OSL).

GS customers using 1,657 kWh/month could expect a monthly increase of \$0.03 up to \$2.41. GTODD customers using 19,652 kWh/month could expect a monthly increase of \$0.31 up to \$25.26. PS-Secondary customers using 30,434 kWh/month could expect a monthly increase of \$0.39 up to \$32.35. PS-Primary customers using 35,028 kWh/month could expect a monthly increase of \$0.45 up to \$36.82. TODS customers using 189,538 kWh/month could expect a monthly increase of \$1.54 up to \$126.82. TODP customers using 1,242,574 kWh/month could expect a monthly increase of \$8.25 up to \$678.42. RTS customers using 7,387,224 kWh/month could expect a monthly increase of \$38.91 up to \$3,199.31. FLS-Transmission customers using 44,229,667 kWh/month could expect a monthly increase of \$237.46 up to \$19,525.53. OSL-Secondary customers using 4,627 kWh/month could expect a monthly increase of \$0.17 up to \$13.87.

The Application described in this Notice is proposed by KU, but the Commission may issue an order resulting in an environmental surcharge for customers other than the environmental surcharge described in this Notice.

Comments regarding KU's 2025 Plan and Application may be submitted to the Commission through its website or by mail to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Any person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of the initial publication of this Notice, the Commission may take final action on the Application.

Any person may examine KU's tariff filing at the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at <http://psc.ky.gov> or KU's website (<http://www.lge-ku.com>) after KU makes its tariff filing on April 30, 2025. KU has requested a deviation from the requirement to make the tariff filing available at its office at One Quality Street, Lexington, Kentucky 40507. If the Commission denies that request, KU will make the tariff filing available at its office upon request by any person.

Congratulations to all 2025 Graduates!

Graduation is just the beginning, learning never stops.
Learning means staying informed and
The Sentinel-News is the best way to
keep learning growing!
