PUBLIC NOTICE
The Henderson City-County Planning Commission will hold a Public Hearing on **Wednesday, January 2, 2019** at 6:00 P.M. in the third floor assembly room at the Henderson Municipal Center, 222 First Street. The following item will be heard:
TRACT 1 & 2 EMMETT GLASSCO PROPERTY DIVISION - Submitted by Emmett Glassco for the property located in Henderson County at 20907 Hwy 811, Reed, KY (PVA #111-29), containing approximately 81.943 acres. Applicant is requesting a division of two tracts, which are located in a Special Flood Hazard Area. Submitted by, Brian Bishop, Executive Director, Henderson City-County Planning Commission

NOTICE OF AVAILABILITY OF DRAFT ENVIRONMENTAL IMPACT STATEMENT (DEIS), PUBLIC HEARINGS AND PUBLIC COMMENT PERIOD

Indiana Department of Transportation (INDOT) and Kentucky Transportation Cabinet (KYTC) have published the DEIS for the I-69 Ohio River Crossing (I-69 ORX) project between Henderson, KY, and Evansville, IN.

DEIS AND PREFERRED ALTERNATIVES

INDOT and KYTC have published the DEIS, which identifies the Central Alternative as the preferred route for the proposed I-69 Ohio River Crossing. There are two preferred alternatives with different tolling options. Central Alternative 1A would toll both the I-69 bridge and the remaining US 41 bridge. Central Alternative 1B would toll only the I-69 bridge.

The tolling options are the only difference between Central Alternative 1A and Central Alternative 1B. Both include a new 4-lane I-69 bridge and retain one US 41 bridge for local traffic. Both include 11.2 miles of new interstate, with the construction of 8.4 miles of I-69 on new location and upgrades to 2.8 miles of existing US 41 to meet interstate standards. New interchanges would be added at existing I-69 in Indiana, US 60 in Kentucky and

at existing US 41 south of Henderson between Van Wyk Road and Kimsey Lane.

The proposed action impacts items listed in or eligible for listing in the National Register of Historic Places (NRHP), the official list of the nation's historic places worthy of preservation. Authorized by the National Historic Preservation Act of 1966, the National Park Service's NRHP is part of a national program to coordinate and support public and private efforts to identify, evaluate and protect America's historic and archeological resources. The Federal Highway Administration (FHWA) has issued an Adverse Effect finding for the project, due to the adverse effects to the Northbound and Southbound US 41 bridges (Twin Bridges), the Colonel Jackson McClain farm and the Ellis-Neville/Lee Baskett house. In accordance with the National Historic Preservation Act, the views of the public are being sought regarding the effect of the proposed project on the historic elements as per 36 CFR 800.2(d), 800.3(e) and 800.6(a)(4). Pursuant to 36 CFR 800.6(a)(4), the documentation specified in 36 CFR 800.11(e) is available for inspection at the I-69 Ohio River Crossing Project Office located at 320 Eagle Crest Drive, Suite C, Evansville, Indiana, 47715 on Monday, Tuesday, Thursday and at 1970 Barrett Court, Suite 100, Henderson, Kentucky 42420 on Tuesday, Wednesday and Friday. This documentation serves as the basis for the FHWA's Adverse Effect finding. The views of the public on FHWA's effect finding are being sought.

The proposed action includes the removal (demolition) of the existing Southbound US 41 bridge, a 5,427-foot long cantilevered truss constructed in 1965 and eligible for listing in the NRHP. In an effort to preserve this historic bridge, the FHWA and KYTC, in cooperation with the State Historic Preservation Office (SHPO), are seeking to locate a city, county or state government, SHPO-approved historic preservation organization or SHPO-approved individual entity interested in having this bridge moved to a new site for preservation and reuse. If relocated to an appropriate setting, the bridge may still be eligible for

the National Register. If a recipient agency, organization or individual is found, FHWA and KYTC will pay all expenses associated with match marking, disassembly, transportation to the new site and off-loading of the bridge in the amount of which shall not exceed the estimated cost for demolition. Letters of Interest and proposals for this bridge should be sent via mail or email to the project office(s) and will be accepted until the conclusion of the public comment period described below.

The DEIS, including the documentation specified in 36 CFR 800.11(e), is available online at www.i69ohioRiverCrossing.com/DEIS. Copies of the DEIS will be available for review on December 14 at:

made for individuals needing auxiliary aids or services of interpreters, signers, readers, or large print. Anyone with such needs should contact Rickie Clark with INDOT's Office of Public Involvement at 317-232-6601 or rclark@indot.in.gov.

In the event of inclement weather resulting in the closing of the meeting venue, the hearing will be rescheduled at the same location. The Henderson snow date is Wednesday, January 9 and the Evansville snow date is Thursday, January 10. Information about rescheduling the hearings will be sent to the news media and posted to www.i69ohioRiverCrossing.com.

PUBLIC COMMENTS

In addition to providing written or verbal comments at the public hearings, the public may submit written comments on the DEIS, including the documentation specified in 36 CFR 800.11(e) through February 8, 2019, via the comment form at <https://i69ohioRiverCrossing.com/contact>, via email to info@i69ohioRiverCrossing.com or by mail to the project offices. During the public comment period the Evansville office (320 Eagle Crest Drive, Suite C, Evansville, IN 47715) will be open Mondays, Tuesdays and Thursdays between 8 a.m. and 5 p.m.; and the Henderson office (1970 Barrett Court, Suite 100, Henderson, KY 42420) will be open Tuesdays, Wednesdays and Fridays between 8 a.m. and 5 p.m. Central time. The project offices will be closed December 24 through January 1. The Project Team is available outside of the office hours by appointment. Those requesting appointments should call (888) 515-9756 or email info@i69ohioRiverCrossing.com.
