ADVERTISING IS KEY

TEN REASONS to advertise frequently

1. People may not need your product or service today, but they may need it tomorrow.
2. Frequency builds trust.
3. Frequent advertising adds credibility to your message.
4. When an ad is seen frequently, it gets the consumer yearning for your service and they will take action to buy it.
5. Advertising frequently helps put your name out in front of the competition's.
6. Frequency is the best way to get lower advertising rates.
7. Advertising frequently is a lot like repeatedly inviting a friend to come see you. One day, they are bound to visit!
8. Frequent advertising helps you build a steady source of incoming sales.
9. Out of sight, out of mind.
10. You make more money when you do! It's plain and simple.
