FROM PAGE B2

Prior to the game, the Warriors also celebrated senior night and honored

Berry, Jarren Beverly, Eric Reza, Kevin Stivers, Adrian Martinez, Fackler, Smither, Michael Higgins, Abraham Munoz, Brayden Cole, Melvin Reza, Noah Gilkison and Will Kemp for their con-

tributions to the program. "This group has been huge. We went through an 0-11 season two years ago," said Jones. "One of our goals was to win a district championship, but they gave themselves a chance to play for that. From where we were two years ago, that's a long way and that's a testament to these seniors and they've led the way on that."

Eminence (4-4) will close out the regular season on Friday, Nov. 1 at Gallatin County.

"There's still other goals and another goal of ours was to win a first round playoff, and that's still in front of us. So, we've got to go back to work Monday," said Jones.

The Warriors continued to attack well at the net as Thomas and Bailey Hegg dropped in back-to-back kills before combining for a block to bring the lead out to 18-13.

Berry blistered an outside hit to the floor and Shupert stuffed an overpass between a series of Lady Rebel miscues to move the

advantage to 23-15.

Smith chipped in a kill to bring up match point and Kirschman's serve was not returned to complete the sweep.

Eminence had a chance to win its fourth district title in five years on Wednesday against Henry County. The Warriors won both regular season matchups against the Lady Cats.

NOTICE TO CUSTOMERS OF LOUISVILLE GAS AND ELECTRIC COMPANY

PLEASE TAKE NOTICE that, in an October 4, 2024 application, Louisville Gas and Electric Company ("LG&E") is seeking approval from the Kentucky Public Service Commission ("Commission") in Case No. 2024-00317 to begin cost recovery under LG&E's electric Retired Asset Recovery Rider ("Rider RAR") for costs associated with LG&E's expected retirement of its Mill Creek Unit 1 generating unit in December 2024. LG&E does not currently have any charges in effect under Rider RAR. If approved, LG&E's proposed Rider RAR cost recovery will become effective beginning with the January 2025 expense month and will begin to appear on customers' bills for the March 2025 billing cycle, the first bills of which will be issued the first week of that month.

Beginning with the March 2025 billing cycle, LG&E estimates the Rider RAR Billing Factor for Group 1 customers will be -0.28% and the Rider RAR Billing Factor for Group 2 customers will be -0.39%. The estimated impact in both dollar amount and percentage change for each customer classification to which the proposed rates will apply are as follows:

Electric Rate Class	Monthly Average Usage (kWh)	Annual RAR \$ Decrease	Annual RAR % Decrease	Monthly Average Bill \$ Decrease	Monthly Average Bill % Decrease
Group 1					
RS and VFD	889	-\$1,455,330	N/A	-\$0.30	-0.28%
RTOD-Energy	1,002	-\$653	N/A	-\$0.38	-0.28%
RTOD-Demand	5,335	-\$96	N/A	-\$1.43	-0.28%

TE	195	-\$1,063	N/A	-\$0.06	-0.28%
LE	1,766	-\$1,035	N/A	-\$0.37	-0.28%
Group 2					
GS	2,083	-\$562,768	N/A	-\$0.96	-0.32%
GTOD-Energy	1,491	-\$12	N/A	-\$0.50	-0.30%
GTOD-Demand	5,628	-\$207	N/A	-\$1.66	-0.29%
PS-Secondary	41,515	-\$476,138	N/A	-\$14.99	-0.30%

TODP	1,186,472	-\$369,725	N/A	-\$223.40	-0.25%
RTS	6,606,625	-\$154,591	N/A	-\$986.34	-0.23%
FLS		No customers take service under this rate.			
EVSE-Networked Single Charger		No customers take service under this rate.			
EVSE-Networked Dual Charger		No customers take service under this rate.			
EVSE-Non-Networked Single Charger	834	-\$7	N/A	-\$0.54	-0.34%
OSL-Secondary	4,420	-\$50	N/A	-\$4.15	-0.35%
OSL-Primary		No customers take service under this rate.			

Rider RAR also applies to Rates EVC-L2 and EVC-FAST, but LG&E does not propose in this filing to change those rates due to Rider RAR or to have Rider RAR affect billing under those rates. This proposed approach is similar to how LG&E applies its Fuel Adjustment Clause, Off-System Sales Adjustment Clause, and Environmental Cost Recovery Surcharge to those rates.

A person may examine LG&E's Application at the offices of LG&E located at 220 West Main Street, Louisville, Kentucky. A person may also examine LG&E's Application at the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at http://psc.ky.gov. LG&E will also post a copy of its Application on its website under the "Current applications" heading of the Regulatory page (https://lge-ku.com/our-company/regulatory).

Comments regarding LG&E's Application may be submitted to the Commission through its website or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, or by email to psc.info@ky.gov.

The rates contained in this notice are the rates proposed by LG&E, but the Commission may order rates to be charged that differ from the proposed rates contained in this notice.

A person may submit a timely written request for intervention to the Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the commission does not receive a written request for intervention within thirty (30) days of initial publication or mailing of this notice, the Commission may take final action on the Application.
