

Chamber of Commerce meeting

I hope this message finds you doing well and your businesses flourishing. As your Chamber of Commerce, we are committed to being your partner in success and helping you take your business to new heights.

We are excited to invite you to our upcoming meeting on Tuesday, April 23, 2024, at the Lewis County Extension office, located at 284 Second Street, at 6 p.m. It will be an evening of networking and learning with our special guest speaker, Judge-Executive George Sparks. This presents a golden opportunity for you to connect with other members and forge valuable relationships that can contribute to the growth and success of the entire community. Be sure to bring along your business packets, including brochures, flyers, or business cards, so that you can promote your business and help build and facilitate our economic success, one business idea at a time.

But that's not all. We are thrilled to welcome our newest member, Northern Kentucky Cedar Company, located on Lions Lane. They offer an array of high-quality and sustainable cedar products, including shelving that is perfect for any home or business. You can pick up their brochure and business cards at our Chamber office

to learn more about their offerings and how their business can benefit yours. Don't miss the chance to visit their facility on Lions Lane, located across from our high school, to see firsthand their commitment to quality and sustainability.

Our meetings are an ideal platform to network with businesses like our local Northern Kentucky Cedar Company and other members, gain valuable insights and ideas, and explore new opportunities for growth and success. Remember,

"Everything is better when we work together." So be sure to bring your packets to our next meeting.

We highly value your participation and involvement in our Chamber of Commerce and are committed to supporting your business in every way possible. Join us in welcoming Northern Kentucky Cedar Company to our Chamber, and let's work together to create a stronger and more prosperous community.

Best regards,
Your Chamber

Treasures by Wilma Erwin

Have you ever watched children at play and seen their character forecast? You say within your mind, "You can't forecast a child's future character."

But the Bible would tell you that even a child is known by his doings. When you watch their interactions with other children you see whether they think fair and pure or right. The 'bent to the wrong' will quickly out.

Proverbs 20:11 Even a child is known by his doings, whether his work be pure, and whether it be right. If we are right hearted and see a child bent toward the wrong it will hurt us inside. The hurt will come from knowing trouble will follow the child if this isn't corrected. One can watch a child

hit, say cruel things to others, not play fair, not able to focus on the task at hand, always want to be first or get the best end of the deal, get angry when not getting their way, etc. and know these attributes will cause the child much confusion of relationships in the future.

The writer of Proverbs was telling us that even a child is known by their doings.

Adults are known by their doings also. One can hear things like:

1. He is such a good man, always kind and considerate.
2. He would go to hell over a penny I think. He is so stingy.
3. Such a handyman. He can fix anything or find out how.
4. He talks and talks and

talks some more but seldom says anything worth hearing.

5. She is a good wife, mother and fantastic cook.

6. She has the gift of music for sure and is always willing to share.

7. She is so prejudiced. She only sees her side as white and any others as black.

Have you ever stood at the mirror and asked The Lord to describe your good qualities and list you things that need to be changed? I have several times over the years. He always has a list of qualities I need to submit to His changing process. After all these years He IS STILL WORKING ON ME!

Blessings on letting The Lord help you work on your 'doings' that need fixed.

Jesus and the Resurrection
One of our local churches has a building sign in the shape of a cross with the words 'Saved by the Blood' on it. Do you realize that this is not Scriptural? Romans 5:9-10 says that we are "justified by the blood and saved by Jesus' life." How are we saved by His life? Through Jesus' death and resurrection.
