

Tollesboro Lions Club

By Craig Stanfield

The Tollesboro Lions Club met Monday, Sept. 23, at their Clubhouse on the grounds of the Tollesboro Lions Club Fairgrounds at 7:00 p.m. for their regularly scheduled meeting. There were 20 members present. President Craig Stanfield opened the meeting, asking Lion Steve Pedersen to give the blessing, followed by Lion Charles Kendall leading the group in the Pledge of Allegiance. The group then broke for dinner. While the members were enjoying their dinner, Craig reminded the membership that – by recent text sent to the majority of the members to approve a garden tractor pull – that Tyler Stamper had been approved for membership. The group approved that the approval remain in full force without requiring a new vote to approve his membership.

Following dinner, President Stanfield called up new members Terrence F. Smith, Brandon K. Walker, B. J. Cunningham, and Tyler Stamper to have them inducted into the Club and present them with their membership certificates, membership pins, and new member packets. Member Ritchie Cunningham sponsored Terrence F. Smith, Brandon K. Walker, B. J. Cunningham, and Cody Moore (Cody was not able to attend Monday night's meeting). President Stanfield sponsored Tyler Stamper. Lion Steve Pedersen,

Next, Lion Secretary Phil Cropper presented the minutes from the last meeting. The minutes were approved as read.

Treasurer Steve Pedersen presented the financial report.

Under Old Business, the members discussed the conversion of the tennis court to a pickleball court. Members discussed creating multiple courts, as well as providing a top coat to the blacktop. It was also discussed that the basketball court was in need of a blacktop top coat as well. It was discussed that grants could be sought to help with the transition.

Next, also under Old Business, the Club discussed the acquisition of a vision screening device to offer eye screening services to the Elementary School. Lion Pedersen notified the Club that Kentucky Lions Eye Foundation and Lions International offered a grant to acquire vision screening equipment and that he had contacted the Flemingsburg Lions Club and would be contacting the Vanceburg Lions Club for multiple screening device purchases (as the purchase price for a single screening device was not of sufficient cost to permit the use of grant funds) so as to utilize grant funds for purchase (whereas two or more purchases would be of a sufficient cost to permit the use of grant funds to be utilized).

Before New Business,

Craig asked new member Tyler Stamper to report on the upcoming Garden Tractor Pull. The Garden Tractor Pull will be conducted at the Tollesboro Lions Club Fairgrounds Saturday, October 19, 4:00 p.m. (with weighing and RPM check beginning at 2:00 p.m.). Ten classes are planned. The Tollesboro Elementary PTO will provide concessions.

Under New Business, members were reminded about the upcoming Lions Club Annual Christmas Party, which was to be December 7, 6:00 p.m., at Caproni's in Maysville. Also, members were reminded that from November through March, the Club would have only one meeting per month, meeting the second Monday of those months.

Also under New Business, President Stanfield asked Lion Terrell McCall to approach the front of the

With regards to the "names and faces," persons suggesting an honorarium would provide a brief statement as to why these individuals deserve recognition, with a committee to provide approval. These ideas met with positive feedback, and will be brought up again next meeting for additional feedback. This would not be a "for profit" project, but the cost (for metal signage) would be reasonable, approximately \$100 per sign, two-sided, metal, including bracket. Lion Lee Thomas had indicated that he would use his loader to place the signs through town or at the Lions Club as applicable.

brought up a request for the use of the concession stand on Wednesday, October 9, from 11:00 a.m. until 2:00 p.m. for a fund-raiser that would support the Tollesboro Elementary School. Myriah Shepherd made the request, indicating that her son, Luke, 7 years of age, was running for Prince at the Halloween Social. It was her intention to provide a plate lunch consisting of ribs, roasted taters, cowboys beans, coleslaw, drink, and choice of dessert (Honey Bun Cake, Blackberry Cobbler, or a Transparent Tart) for \$10. She would not be cooking in the facility, but would serve out of it. She would be responsible for clean-up, had already been in contact with Lincoln at the Health Department, and 100 percent of the proceeds would go towards the Tollesboro Elementary School through Luke's funds raised as Prince candidate. A motion was made to approve, which was seconded and approved.

Next, Lion Daymond Thomas indicated that there were tables in the Pavilion that needed to be put away (several members volunteered and put the tables up immediately following the meeting).

Lion Craig donated two small metal signs to the Club for placement in the Clubhouse. One of these featured the Club's pin. The other was a design that Craig had designed for potential placement on a pin; however the design was too "busy" for the pin as the pin would have to be HUGE in order to be legible (this design incorporated the racehorse Tollesboro and a statement indicating that Tollesboro was the birthplace of Lucille Wright-Markey, who became the owner of Calumet Farm and whose estate was valued at a remarkable \$500 million dollars). Craig also presented Lion Pedersen with custom Tollesboro Lions Club cloth tablecloths and a rug for use at the Tollesboro Lions Club Christmas Party (which Craig will not be able to attend due to a competing event).

practicing and playing matches since then. The season will be ending after the KHSAA State Tourney in October. The regional tourney was held last week. Some of the tournaments the team has participated in this season are the Boyd County Invitational, Montgomery County Invitational, Mason County Invitational, the EKC Tourney, and the West Carter Invitational.

This year's team is made up of four members. They are senior Laura Kennedy, a member of the team for six years; sophomore Laura Horsley, a four year team member; senior Kaylen Case, a member for one year; and junior Jihoo Kim, a first year member. These girls have worked very hard the past four months in preparing and playing in the season matches.

Individual members have received several honors. Laura finished 8th place overall in the 12th Regional Tourney at Irish Hills last week, fulfilling the 4th individual spot to advance to the first round of the KHSAA State Golf Tourney. This season her other accomplishments include: 6th place at the Boyd County Invitational, 15th at the Montgomery County Invitational, 2nd place at the Mason County Invitational, 5th in the EKC Tourney, and 3rd place in the West Carter Invitational. Laura showed improvement as the season progressed.

Laura finished the season with a nine-hole match average of 57.4 and a tournament average of 114.5.

Kaylen finished the season with a nine-hole match average of 58.6 and a tournament average of 126.

Jihoo finished her season with a nine-hole match of 76.
