Natalie Bardin named FBLA State President

On April 16, 2025, Natalie Bardin participated in interviews and gave an election speech in front of thousands of state FBLA members and was elected FBLA (Future Business Leaders of America) State President by her peers. Natalie is the first student from Adair County to be elected FBLA State President. But the hard work to achieve this goal began way before elections. Natalie has been hard at work this past year as the FBLA Region 2 President.

As FBLA Region 2 President, under the advisement of FBLA Adair County Chapter Advisor, Mr. JR Thompson - business teacher at ACHS - Natalie showed true leadership in leading members to ensure that the goals of the organization were met effectively. Natalie represented her peers in Region 2 at the state level, advocating for the interests of local chapters and leading initiatives that promote business education. This position requires strong leadership skills, must encourage fellow members, facilitate communication between chapters, and organize events that foster professional business education.

Natalie also planned and executed regional conferences, where members participated in workshops, competitions, and networked while keeping members' best

interest in the forefront helping members excel in business education.

But in the 2025 -2026 school year, Natalie's leadership role will grow tremendously when she begins leading the entire state FBLA organization. Natalie will continue to be strongly supported by Mr. JR Thompson. She will be collaborating with regional presidents, attending all regional conferences, serve as a voting delegate at the National Leadership Conference (NLC) in Anaheim, CA, preparing an annual report for the NLC, serving on the state FBLA

executive council, and implementing recruitment strategies to grow the organization while keeping the organization's members and their needs in the forefront as her top priority.

With her proven dedication and work ethic, there is no doubt Natalie will successfully lead FBLA members at the state level. Congratulations and good luck to Natalie! We look forward to seeing you rise above and beyond expectations to lead KY FBLA toward the brightest future!
