PUBLIC NOTICE

TEXAS EASTERN TRANSMISSION, LP FEDERAL ENERGY REGULATORY COMMISSION **DOCKET NO. CP25-530**

Notice is hereby given that on August 1, 2025, Texas Eastern Transmission, LP (Texas Eastern) filed with the Federal Energy Regulatory Commission (FERC) an Abbreviated Application for Certificate of Public Convenience and Necessity and Related Authorizations and Order Approving Abandonment for its proposed Danville Compressor Station Replacement Project (Project) in FERC Docket No. CP25-530 (Application). The purpose of the Project is to ensure the continued safe and reliable operation of the Station by replacing the existing units at the Station, while continuing to meet all currently applicable air emissions requirements. Texas Eastern as a part of the Danville Compressor Station Replacement Project is proposing upgrades to the Danville facility to optimize and strengthen our existing infrastructure network. Texas Eastern respectfully requests the Commission issue an order granting the authorizations requested by June 30, 2026 to allow Texas Eastern to complete and place the Project facilities into service by May 1, 2028. Specifically, Texas Eastern proposes to perform the following activities: • Replacement of 7 reciprocating units and 3 natural gas-fired turbines with three new natural gas-

fired turbines.

The Project will also include all the associated piping, building, construction, and removal as necessary.

Notice of the Application will be mailed to affected landowners, and municipal, state and federal governments and agencies involved in the Program. A copy of the Application and related resource reports are on file in the following public libraries and/or municipal and county offices. Texas Eastern Community Library List - Kentucky: Boyle County—Boyle County Public Library, 307 W Broadway Street, Danville, KY 40422; Lincoln County-Lincoln County Public Library, 201 Lancaster Street, Stanford, KY 40484. For further information on becoming an intervenor in the FERC process and/ or to obtain FERC's pamphlet entitled "An Interstate Natural Gas Pipeline on My Land? What Do I Need to Know?" visit FERC's website (www.ferc.gov) or contact FERC's Office of External Affairs at (202) 502-6088.
