PUBLIC LEGAL NOTICE
 Wood Duck Solar LLC is proposing to develop and construct an approximately 100-megawatt solar electric generating facility and nonregulated electric transmission line to be located in Barren County, Kentucky. The proposed solar project will be situated on approximately 2,259 acres of land, with an address of 8230 New Bowling Green Road, Smiths Grove, Kentucky, 42171. The project will consist of photovoltaic panels and their associated racking systems, inverters, collection system, transmission line, project substation, and other equipment. Wood Duck Solar LLC is required to file an application with the Kentucky State Board on Electric Generation and Transmission Siting ("Board") for construction and operation of the proposed electric generating facility and transmission line. This filing will occur in the coming weeks. This proposed construction is subject to approval by the Board, which can be reached at P.O. Box 615, 211 Sower Boulevard, Frankfort, Kentucky 40602-0615, or via phone at (502) 564-3940. A person who wishes to become a party to a proceeding before the Board may, by written motion filed no later than thirty (30) days after the application has been submitted, request leave to intervene. A party may, upon written motion filed no later than thirty (30) days after an application has been filed, request the Board to schedule an evidentiary hearing at the offices of the Public Service Commission, 211 Sower Boulevard, Frankfort, Kentucky. A request for a local public hearing or local public information meeting shall be made by at least three (3) interested persons who reside in the county or municipal corporation in which the pipeline, plant, or transmission line is proposed to be located. The request shall be made in writing and shall be filed within thirty (30) days following the filing of a completed application.
