HOCUS-FOCUS

Place a number in the empty boxes in such a way that each row across, each column down and each small 9-box square contains

of hours."

Unscramble these twelve letter strings to form each into an ordinary word (ex. HAGNEC becomes CHANGE). Prepare to use only ONE word from any marked (\vec{\pi}\) letter string as each unscrambles into more than one word (ex. \vec{\pi}\) RATHE becomes HATER or EARTH or HEART). Fit each string's word either across or down to knot all twelve strings together.

3. Mouth is open. 4. Roof is smaller. 5. Cap is different. 6. Mitten Differences: 1. Mailbox is smaller. 2. Patch on sleeve is higher.
