

Bobcats Continued from Front Page

The Lee County Bobcats tipped off their 2025-26 basketball season in dramatic fashion Tuesday night, December 2, thrilling the home crowd with a double-overtime victory over Jackson City. The Bobcats edged out the win by a single point, 78-77.

From the opening tip, the atmosphere inside the Lee County gym was electric. The Pride of the Mountains band filled the court with energy, while the Lee County Cheer Team kept the crowd—

and the players—fired up throughout the game. Lee County leaned heavily on their perimeter shooting, connecting on roughly 60% of their three-point attempts. Those long-range shots proved critical as the teams battled back and forth, neither willing to give an inch. As regulation ended in a tie, the Bobcats showed resilience, refusing to let fatigue slow them down. The first overtime only intensified the tension, and when it wasn't enough to decide a

winner, the teams pushed into a second overtime period. In the final seconds, Lee County held strong on defense to preserve the narrow one-point lead and secure the victory. It was a spectacular start to the season—intense, hard-fought, and unforgettable. If opening night was any indication, the Bobcats are gearing up for an exciting year on the court. Happy Holidays

SPONSORS NEEDED

The holiday season is quickly approaching, and we're looking for generous sponsors to help make Christmas a little more special for some of our students here at the Lee County Middle High School. Many of our kids could use a little extra joy this year, and your support can make a difference. Our kids simply age out of many of the programs available.

If you'd like to become a sponsor or learn more, please contact Jennifer Wilder, Youth Service Center Director.
