of Kentuckians think that publishing PUBLIC NOTICES in NEWSPAPERS should be required.

*And for good reason...*

Because Kentuckians rely on public notices for information about their communities that they just can't get anywhere else. When it comes to providing timely information about local events, legal announcements and government initiatives, your local newspaper delivers.

To discover how public notices impact your community, visit the Kentucky Press Association at [kypublicnotice.com](http://kypublicnotice.com)
