UofL Department of Theatre Arts Presents Shakespeare's As You Like It! The University of Louisville Department of Theatre Arts is proud to present William Shakespeare's *As You Like It*, directed by Dr. Ari Calvano. The production will run November 14th-November 23rd at The Playhouse.

As *You Like It* has been among the most popular of Shakespeare's love comedies since its first production in the late 1590s. Shakespeare's celebrated comedy is an adaptation of Thomas Lodge's *Rosalynde* (1590). Shakespeare's adaptation of Lodge's narrative infuses the pastoral landscape with comic subplots and characters, including the melancholic Jaques. In what may be the play's most famous passage, Jaques proclaims, "All the world's a stage, / And all the men and women merely players".

If the late Elizabethan world seemed "a stage," our present reality seems like a circus. Thanks to social media, we are now "merely players" on a truly global stage that offers a variety of competing acts. In keeping with our more circus-like time and in honor of the hundredth anniversary of the Playhouse Theatre in which our show is staged, we adapted *As You Like It* to the Big Top circa 1926 and infused it with jugglers, acrobats, animal tamers, barkers, and clowns. We hope you like our transformation of Shakespeare's beloved comedy into the Greatest Shakespearean Show on Earth!

★★★★★ **Lightweight Wheelchair**

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.
