In the last few days of the 2024-25 school year, the five elementary schools of Harrison County have been having a blast celebrating another successful turn of education with the kids.

With talent shows, graduations, awards, field days and some good old fashioned roller skating, the last week has been busy, but in a good way!

Co. batters knew that they would only need to score a couple of runs to support him. It was a good thing that Vaughn was pitching well because Fryman was being stingy about allowing batters to get on base when he went to the mound. In the end, it was Vaughn that dominated the Blue Jackets. In fact, Vaughn did not allow a Nicholas Co. runner to advance farther than second base and retired 14 of the last 15 batters he faced.

The Breds scored the only run they would need in the bottom of the first inning. Senior Boston Reynolds led off the frame with a double to left field. One out later, Lewis floated a single to right field that brought Reynolds across the plate for a 1-0 lead.

With one out in the second, junior Blake Green was hit by a pitch and promptly stole second base. Freshman Russ Persinger followed Green with

an RBI base hit to right field, bringing Green home for a 2-0 advantage.

Harrison Co. picked up an insurance tally in the third inning. Jordan Persinger bounced a base knock up the middle leading off the frame. Freshman Landon Custard was brought in to pinch run for Persinger thus putting more speed on

the base paths. The move worked to perfection with Custard stealing second base and eventually scoring courtesy of a Blue Jacket error that set the final score at 3-0.

The Breds have now won 48 district tournament crowns dating back to their first one in 1952. Since 1981, Harrison Co. has a record of 38-6 in district title contests. Mac Whitaker, personally, has coached the Breds to 40 district tournament championships.

Harrison Co. improved to 29-5 while Nicholas Co. dropped to 10-21.
