FOR FRIDAY

ARIES (March 21-April 19) This is a solid day, which means you can achieve a lot at work. Make a to-do list to get things done. Financial matters that benefit home and family are positive. Grab opportunities to socialize. Meet the gang at happy hour. TGIF! Tonight: Check your finances.
TAURUS (April 20-May 20) Today you have to go along to get along because the Moon is opposite your sign, which is a sure indication that compromise and cooperation are your best choices. Nevertheless, people are charming and supportive! Enjoy redecorating or entertaining at home. It's a great day to socialize. Tonight: Listen and cooperate.
GEMINI (May 21-June 20) Group efforts will pay off today. In fact, working with others might indirectly boost your income. People will enjoy talking to you today. In turn, you might be involved with a parent more than usual. Physical sports, competitions and direct involvement with others will be fun. Tonight: Get organized.
CANCER (June 21-July 22) Children will be a source of joy for you today. Meanwhile, this is a lovely day to socialize. Accept invitations to see others. Enjoy sports events, the entertainment world, picnics, outings and fun events. Get out of the house, because increased tension and activity at home might drain you. Tonight: Be friendly.
LEO (July 23-Aug. 22) With Venus and Mercury in your sign, you're charming and entertaining, which is why everyone wants to see your face. A meeting or gathering at home might take place today. Whatever happens, you'll be forceful in sharing your ideas with others, definitely. Tonight: Enjoy your home.
VIRGO (Aug. 23-Sept. 22) You're full of optimism today, which is why you attract others to you. Enjoy involvement in teams, groups and organizations. Some of you are dabbling in secret love affairs or private get-togethers, which might be exciting. I'll never tell. (Oops, I just did.) Tonight: Discussions.
LIBRA (Sept. 23-Oct. 22) Financial negotiations will favor you today. These might take place in business or in small, minor ways in your daily activities. You might purchase something that turns out to be of benefit to you now and in the future. Enjoy warm friendships, especially with creative, younger people. Tonight: Check your belongings.
SCORPIO (Oct. 23-Nov. 21) Today the Moon is in your sign dancing with Jupiter, which makes you feel warm and friendly to everyone. Naturally, people will respond in kind and you'll enjoy a lovefest. Deeper questions might concern you today, like wondering about the meaning of life. You might feel concerned for someone. Tonight: You're in charge.
SAGITTARIUS (Nov. 22-Dec. 21) On the whole, this is a feel-good day. Enjoy physical sports and fun outings with groups and friends. You make a great impression on others. Travel and philosophical discussions with others will appeal to you because you want to do something to expand your world. Tonight: Privacy.
CAPRICORN (Dec. 22-Jan. 19) This is the perfect day to work with groups or partners. You will achieve more with help of others than by working alone. You also might be involved with members of the general public. Meanwhile, a romantic interest could turn passionate, which is probably what you're hoping for. Tonight: Friendships.
AQUARIUS (Jan. 20-Feb. 18) People notice you today; in fact, you create a wonderful impression. They see you as popular, successful, affluent and genuinely concerned for the welfare of others. This is great press, and it's probably true because Aquarians want to save the world before bedtime. (You start petitions.) Tonight: You're admired.
PISCES (Feb. 19-March 20) You've got the travel bug today, which is why you need a change of scenery. Get outta Dodge if you can. You will also enjoy profound discussions with others about religion, history and philosophy. A work-related friendship could turn cozy. Tonight: Explore!

Bidding quiz

You are South in each of the following three hands. What would you bid at the point where the question mark appears?

1. ♠ KQ1095 ♥ Q83 ♦ 4 ♠ KJ83
East South West North
Pass Pass Pass 1 ♥
Pass ?
2. ♠ 5 ♥ K76432 ♦ KQ643 ♠ 10
North East South West
1 ♦ Pass 1 ♥ Pass
3 ♥ Pass ?
3. ♠ 96 ♥ KQ52 ♦ A943 ♠ 874
North East South West
1 ♦ Pass 1 ♥ Pass
2 NT Pass ?

1. **Two spades.** The partner of a player who passed originally is not bound by the same rules that govern many other bidding sequences. For example, if South responds with only one spade after passing initially, North is not forced to bid again, since he knows South lacked the values for an opening bid. North may therefore decide that game is impossible and pass.

For this reason, it is best to jump-shift to two spades with the given hand to inform partner that there is a good chance for game despite your previous pass. A one-spade response would be correct if partner had opened with one diamond, which would diminish the value of your hand, but opposite a one-heart opening, your chances for game rise tremendously. The two-spade bid, which can be passed if

partner has minimal values, shows five very good spades and implies some heart support, since with poor heart support your hand could not have improved enough for a jump-response. Partner then does whatever his hand calls for.

2. **Four notrump.** The number of tricks you can make depends solely on how many aces partner has, so this is an ideal time for Blackwood. If partner bids five hearts, showing two aces, you will pass. If he bids five spades, showing three aces, you'll bid six hearts. And if he happens to bid five clubs, which in this sequence would indicate all four aces, you'll bid a grand slam.

Partner's actual point count (or yours, for that matter) is not the critical factor in unbalanced hands. Once he indicates four-card support by jumping to three hearts, the number of aces he has will tell you just how far to go.

3. **Three notrump.** Partner has 18 or 19 points with balanced distribution, so there is a game in the combined hands. It is not necessary or desirable to show your diamond support by now bidding three diamonds. You have a notrump type of hand and partner has one also, so the best thing to do is to take the short route to game in notrump. Five diamonds would probably be harder to make than three notrump, and a slam is very unlikely, so no effort in that direction should be made by bidding three diamonds.

Tomorrow: Silence is golden.
