Horoscope

FOR WEDNESDAY

ARIES (March 21-April 19) If dealing with banking matters, or anything to do with shared property, taxes, debt or inheritances, be careful. Your mind is racing ahead of time today, which means you could overlook details. It's easy to be impatient. It's also easy to be impulsive. Tonight: Get organized.

TAURUS (April 20-May 20) Today Mercury is opposite your sign, and at the same time, it's opposing unpredictable Uranus in your own sign. This means conversations with those who are closest to you are unpredictable and a bit off-the-wall. Either you or someone else might say something unintended. Tonight: Socialize.

GEMINI (May 21-June 20) This is a tricky day! Your ruler Mercury is challenged by unpredictable Uranus, which can make you do things too fast and impulsively, and overlook details, which might yield sloppy work. However, this can also help you to understand what is happening faster and grasp ideas quickly. Tonight: Cocoon.

CANCER (June 21-July 22) Parents should be extra vigilant about their kids today, because an unpredictable influence could make situations accident-prone. Keep your eyes open! Social plans might suddenly change. Sports accidents might occur, especially due to impulsive impatience. Tonight: Conversations.

LEO (July 23-Aug. 22) Family discussions about future plans or purchasing something high-tech might be impulsive today. Either you or someone else might not fully think things through. Guard against knee-jerk reactions. Whatever you want to do, do it with due diligence. Tonight: Check your belongings.

VIRGO (Aug. 23-Sept. 22) You'll be thrilled with a chance to learn something fresh and unusual today, because you're hungry for new experiences. A variety of subjects will intrigue you as long as they are fascinating and different. You might even speak faster today. Tonight: You win!

LIBRA (Sept. 23-Oct. 22) Double-check everything related to banking, shared property, earnings and cash flow today. It's easy to make tiny errors because your mind might be thinking too fast or you might be in a rush. Guard against the loss of money or possessions today due to rash or careless actions. Tonight: Solitude.

SCORPIO (Oct. 23-Nov. 21) Today your mind is captured by new experiences, which is why you might be impatient with routine. You want something different! You want to meet new people who challenge your thinking. This is why you might be impatient or careless with what you're expected to do. Tonight: Friendships.

SAGITTARIUS (Nov. 22-Dec. 21) Something taking place behind the scenes might surprise you or catch you off guard in some way today. A secret might be revealed. It could be a secret about your private life or a surprise in the media. Double-check research details, because you might overlook something. Tonight: You're admired.

CAPRICORN (Dec. 22-Jan. 19) Someone younger might do or say something that catches you off guard today. This could be pleasant, or not. Meanwhile, this is the classic day to meet someone new who is fascinating or unusual. This will please you, because you will be challenged by interactions that are stimulating. Tonight: Explore!

AQUARIUS (Jan. 20-Feb. 18) Think twice before responding to parents, bosses or VIPs today, because down deep, you feel rebellious. Certainly, you feel independent, especially with respect to authority. You also might be a bit blunt. This is because you're impatient with routine and don't want to be held up by anyone. Tonight: Check your finances.

PISCES (Feb. 19-March 20) Although you might be inclined to overlook details today, at the same time, you will be fascinated with studying mathematics, astrology, or technical and scientific disciplines. You're eager to grasp new ideas, especially things that are a bit "way out." You don't want to be bored! Tonight: Cooperate.

In general,

a slam should be bid whenever there appears to be a better-than-even chance of fulfillment. It is in this area that a partnership's bidding skill is most severely tested.

The main question

to be resolved in bidding a slam is whether the combined hands will offer a good chance to make at least 12 tricks. Bids devoted to finding out the number of aces held, such as Blackwood, all too often bypass this basic question.

Tomorrow: A giveaway plan.
