Kentucky Fish and Wildlife encourages safe summer boating during Memorial Holiday

In conjunction with
National Safe Boating
Week, May 17-23, 2025,
the Kentucky Department
of Fish and Wildlife Re-
sources reminds Kentuck-
ians to be safe as they get
out on the water and roads
during the upcoming Me-
morial Day weekend.

Kentucky Fish and
Wildlife encourages boat-
ers to follow simple steps
to minimize injuries and
accidents.

The goal is always zero
accidents, which cannot
happen without everyone
taking the proper safety
precautions.

Tips when heading out
on the water:

Wear a Life Jacket:
Kentucky law requires
each occupant of a boat to
have ready access to a U.S.
Coast Guard-approved life
jacket that properly fits
each person.

Children younger than
12 must at all times wear
a lifejacket that fits them
while in the open portion
of a boat that is underway.
Life Jacket Loaner Sta-

tions, available in a grow-
ing number of locations
across the state, allow
boating parties to borrow
life jackets temporarily.

Make wearing your
life jacket and engine kill
switch a habit for you and
your passengers.

Boat Sober: Every year,
alcohol is the leading
cause of injuries and ac-
cidents on Kentucky wa-
terways. Oftentimes, this
leads to individuals leav-
ing the lake and driving
under the influence (DUI),
putting everyone on the
roadways in danger. Op-
erating a vehicle or boat
under the influence (BUI)
is extremely dangerous,
impairs judgment and re-
action time, and is illegal.

Take a Safe Boating
Course: Familiarize your-
self with Kentucky boat-
ing laws, regulations, and
navigation rules before
heading out with an easy
online Boater Education
Class.

Stay Weather Aware:
Check the weather fore-
cast and be prepared for

changing conditions. Sud-
den storms or rough wa-
ters can pose significant
dangers.

Always have a reliable
means of communication
onboard to receive weath-
er updates.

File a Float Plan: Let
someone know your boat-
ing plans before you get
on the water. File a Float
Plan with a friend or fam-
ily member detailing your
itinerary. In the event of
an emergency, this infor-
mation can be crucial for
rescuers.

Some reservoirs may
still be affected by high
water following flooding
rains earlier this spring,
so boaters are advised to
check the status of boat
ramps before leaving
home. Conditions may
vary between waterbodies,
with some ramps remain-
ing closed or partially sub-
merged.

Kentucky Fish and
Wildlife game wardens
will be patrolling the
state's waterways over
Memorial Day weekend

to check boaters for legal
and safety considerations,
including life jackets, boat
registration, watercraft
safety and possible im-
pairment.

The U.S. Coast Guard
will also be patrolling
Kentucky waters.

For emergency, call
911. For assistance
while on the water call
800-25-ALERT (800-252-
5378), or contact a local
law enforcement agency
or nearest Kentucky State
Police post. Marine chan-
nel 16 can be used to con-
tact a local marina.

The Fish Boat KY
smartphone app, available
for iOS and Android, al-
lows boaters to buy a fish-
ing license, find directions
to local lakes, read fishing
reports, learn about regu-
lations, find fish stocking
schedules, locate the near-
est boat ramp and more.
Download the app at
Fish Boat KY App on the
Kentucky Fish and Wild-
life website (fw.ky.gov)
or search for “Fish Boat
KY” in your preferred app
store.

Additional boating in-
formation can be found on
Kentucky Fish and Wild-
life’s website at Boating
- Kentucky Department of
Fish & Wildlife.

The department’s 2025-
2026 Kentucky Fishing
and Boating Guide also
provides basic boating in-
formation, including regu-
lations, and can be viewed
online or printed to keep
in a boat or other type of
vessel.

Of final note, Kentucky
boat registrations expire
April 30 each year, so
owners who haven’t al-
ready done so must renew
them through their county
clerk’s office.

Questions on boating,
regulations, education and
more may be directed to
the agency’s information
center at 800-858-1549,
8 a.m. – 4:30 p.m. (ET)
weekdays, excluding state
holidays.
