The Native Dawn Flute Gathering returns to Old Fort Harrod State Park (100 South College Street) with a weekend of Native American music as well as food—including fry bread and Indian tacos—and handmade arts and crafts from Friday May 23, through Sunday, May 25.

The event is organized by Angie and Fred Nez Keams. Sponsors include the Harrodsburg-Mercer County Tourist Commission, the Mercer County Chamber of Commerce, the Friends of Fort Harrod, Old Fort Harrod State Park and the Mercer County Community Endowment.

It's a busy Memorial Day weekend, with a **Memorial Day Service at Maple Grove Cemetery** (407 Cornishville Street) honoring Mercer County's colored troops on Saturday, May 24, starting at 1 p.m. The event is hosted by the Harrodsburg-Mercer County African American Historical Society.

The **Murph Challenge at the Vault—Harrodsburg** (235 South Main Street) happens on Memorial Day, Monday, May 26, starting at 10 a.m. Honor U.S. military personnel with a fitness challenge: a one-mile run followed by 100 pull-ups, 200 push-ups, 300 squats and another one-mile run. It can be done as an individual or a team. The event is held in partnership with Image Fitness.

Have a great weekend, Mercer County!

## REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL ENGINEERING SERVICES MERCER COUNTY SANITATION DISTRICT

### I. Introduction

The Mercer County Sanitation District is seeking Statements of Qualifications (SOQs) from qualified consulting firms for preliminary, design and construction phase engineering services to serve the Herrington Lake area of Mercer County. The project will include preliminary engineering, design engineering, and construction phase services to provide public sewer to the Chimney Rock, Bradshaw Camp, and Herrington Woods communities. The sewage will be conveyed down SR 152 to the existing Burgin Central Pump Station through a new force main.

SOQs will be evaluated using a Qualifications-Based Selection (QBS) process, based on written submittals only. The Evaluation Committee will consist of the three District Directors and the Executive Director. The consulting firm scoring highest in accordance with the evaluation criteria listed below will be invited to negotiate scope and services. In the event the District fails to successfully negotiate with the highest-rated firm, it will proceed to negotiate with those firms submitting SOQs, according to their ranking, until a contract is successfully negotiated.

Lengthy and/or elaborate SOQ packages are neither necessary nor desired. Consultants are required to limit their responses to 15 single-sided pages, with line spacing set at not less than 1½. Use of graphic illustrations in lieu of exposition is strongly encouraged. Four copies of the SOQs must be submitted to the Mercer County Sanitation District by 12:00 p.m. on Thursday, June 12, 2025, to be considered responsive. SOQs may be submitted by mail to P. O. Box 303, Burgin, KY 40310, or in person at 801 Pleasant Hill Drive in Burgin. Submittals must be made in sealed envelopes, and clearly marked as follows: "Statement of Qualifications for Preliminary, Design and Construction Phase Engineering Services for the "Herrington Lake Force Main Project."

### II. Project Purpose & Scope

The purpose of this project is to provide public wastewater collection and treatment services for unsewered areas in the Herrington Lake area to include the Chimney Rock, Bradshaw Camp, and Herrington Woods communities. The sewage would be conveyed down SR 152 to the existing Burgin Central Pump Station through a new force main.

The scope of services required for the project shall include all preliminary, design, and construction administration services necessary to successfully complete the project. The project shall meet funding requirements provided through the Kentucky WWATERS program.

### III. Evaluation Criteria

- A. Firm's prior experience in the field of wastewater collection and transmission, and specifically grinder pumps and low pressure, small diameter sewers. - 25 points
- B. Qualifications of the specific individuals who will be assigned to the Project Team - 25 points
- C. Past record of performance, including quality of work product and timeliness – 15 points
- D. Familiarity with the proposed project Area - 25 points
- E. Prior experience with grinder pump / low pressure sewer collection and force main design. – 10 points

### IV. Questions

Questions may be directed in writing to Mike Sanford, c/o Mercer County Sanitation District, P. O. Box 303, Burgin, KY 40310.
