TITLE AND SUMMARY OF ORDINANCE 003-025

AMENDING ORDINANCE 001-1993

CITY OF MUNFORDVILLE, KENTUCKY

TITLE

AN ORDINANCE OF THE CITY OF MUNFORDVILLE, KENTUCKY, AMENDING REGULATIONS REQUIRING PROPERTIES WITHIN 100 FEET OF A PUBLIC SEWER LINE TO CONNECT TO THE SYSTEM, ESTABLISHING LIMITED EXCEPTIONS TO THIS REQUIREMENT, AND PROVIDING FOR THE PUBLICATION OF THIS ORDINANCE BY SUMMARY.

SUMMARY OF ORDINANCE

The City of Munfordville has passed an ordinance amending the requirements for mandatory sewer connections. The ordinance states that property owners within city limits must connect to the public sanitary sewer system if their property is within one hundred feet of an available sewer line. It is unlawful to construct or maintain a septic system, privy, cesspool, or other private wastewater disposal facility when public sewer service is available unless an exemption is approved by the City Council.

A property owner may apply for an exemption from the sewer connection requirement. The City Council may grant an exemption upon a finding that the cost of connecting is unreasonably burdensome, that physical conditions prevent a safe or effective connection, or that an exemption would serve the city's economic development or public interest.

The full text of Ordinance 003-2025 is available for the examination in the office of the City Clerk of the City of Munfordville, Kentucky at 111 Main Street, Munfordville, Kentucky 42765.
