Kentucky State Police (KSP) has arrested 16 individuals as part of a nation-wide operation aimed at protecting children from online exploitation.

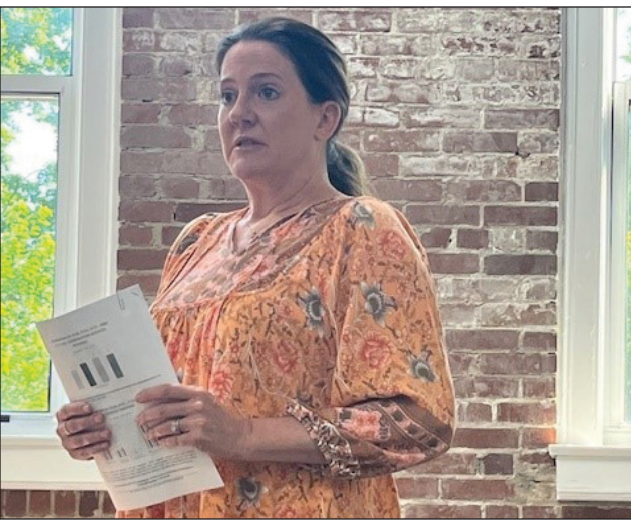

Last Thursday, Governor Andy Beshear announced that the Electronic Crime Branch (ECB) of KSP participated in

Operation Safe Online Summer, which was conducted throughout April by all 50 states and coordinated by the Internet Crimes Against Children Task Force. This resulted in the arrest of 16 perpetrators from across Kentucky, bringing the number of predators arrested since 2019 to 325.

The Beekeepers Association of Hart County has been buzzing for over a year now, uniting together local beekeepers and

lending a hand to the community.

Current association President, Rob Mester, said that past president, Duane Keehan is a master beekeeper and helped establish the association.

The group meets the first Thursday of each month at the Hart County Extension Office in Munfordville.

"We enjoy sitting around and talking about bees," Mester said. "We sit around

as an association, talk about our problems with our hives - the good, the bad - and we want to get more people involved... We have a bunch of beekeepers that
