The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Record (ERR) that documents the environmental determinations for this project is on file at the Kentucky Housing Corporation, 1231 Louisville Road, Frankfort, KY 40601 and may be examined or copied weekdays from 8 a.m. to 4 p.m. You can also view them online at <https://cpd.hud.gov/cpd-public-environmental-reviews>. Comments may also be submitted via email to [environmentalreview@kyhousing.org](mailto:environmentalreview@kyhousing.org). All comments received by March 30, 2025, will be considered by the Kentucky Housing Corporation prior to authorizing submission of a request for release of funds. The Kentucky Housing Corporation certifies to HUD that Winston Miller in his capacity as Executive Director consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUDs approval of the certification satisfies its responsibilities under NEPA and related laws and allows KHC to use Program funds. HUD will accept objections to its release of funds and the Kentucky Housing Corporation's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the Kentucky Housing Corporation; (b) the Kentucky Housing Corporation has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other
