•ALERTS Continued from page one

Arlington, Texas.

IAN Alert
This alert was created by the 2024 General Assembly HB 682. The bill led to the creation of an alert when a child within the autism spectrum disorder is reported missing.

The alert is named for Ian Sousis, a 9-year-old boy with autism spectrum disorder (ASD) who ran away and tragically died of drowning. Statistics from the National Autism Association (NAN) report that 91% of the total U.S. ASD deaths from 2009-2011 were from drowning after wandering away from safe environments.

ASHANTI Alert
This system was also

implemented into Kentucky law during the 2024 General Assembly with SB 45.

In 2018, the Ashanti Alert Act was passed nationally in honor of Ashanti Billie, a 19-year-old woman from Virginia who was abducted and found dead in North Carolina 2 weeks later. This system is used for missing persons 18 years or older who may have been abducted, kidnapped, or are in physical danger.

This system provides an alert for people who have aged out of Amber Alerts and do not meet the qualifications for Golden Alerts.

GOLDEN Alert
This Kentucky alert

system was created during the 2008 General Assembly. Golden Alerts are used to notify the public of the search and rescue efforts for missing adults with disabilities or impairments.

These may include developmental disabilities, organic brain disorders, as well as physical, mental, or cognitive impairments. These alerts offer something more specific than an Ashanti Alert for adults who may be at a higher risk of danger.

GREEN Alert
The 2019 General Assembly voted to implement a Green Alert system for Kentucky. This alert system is for missing veterans who are at

risk of harm due to physical or mental injuries sustained during service.

Separating the individual from the Golden Alert and specializing an alert system for veterans allows search and rescue parties to understand the unique difficulties these individuals may be facing.

Each of these systems alerts the public to missing individuals whom they may be able to assist in finding.

These alerts are important to ensure the safety of our fellow Kentuckians because when we are made aware of those who are missing, we are able to help find them.

•COMPROMISE

Continued from page three

in Shittim, and the people began to commit whoredom with the daughters of Moab. 2 And they called the people unto the sacrifices of their gods: and the people did eat, and bowed down to their gods. 3 And Israel joined himself unto Baalpeor: and the anger of the Lord was kindled against Israel.

There are numerous pressures today that try to get Christians to compromise God's truths. It is common to hear people of this world tell Christians they simply need to give in a little and not be so rigid in their beliefs. Those people are doing the same thing as the serpent did in the Garden of Eden in deceiving Eve.

Christians cannot compromise the truth of God's Word, no matter who it is that is trying to get us

to do so. The world hates the truth and those who stand for it more today than ever before.

The Lord told us that we would be hated for his name's sake. We must accept that and decide within ourselves to remain faithful to Him. John 15: 18, "If the world hate you, ye know that it hated me before it hated you."

Daniel 1: 8: But Daniel purposed in his heart that he would not defile himself with the portion of the king's meat, nor with the wine which he drank: therefore, he requested of the prince of the eunuchs that he might not defile himself.

We need to stand for the uncompromising truth of God's Word and, as Daniel, propose in our heart that we would not defile ourselves.
