WHEREAS, KRS 74.420 to 74.520 authorizes cities, water associations and water districts to jointly acquire, either by purchase or construction, sources of supply of water and operate jointly the sources of supply of water and improve and extend them;

WHEREAS, several cities, water associations and water districts in the geographical region generally extending along U.S. 150 from Boyle County to Rockcastle County could benefit from an additional source of supply of water; and

WHEREAS, the City believes it would benefit the public health and promote economic development in the region if a group of cities, water associations and water districts were to jointly acquire and operate a potable water pipeline near the U.S. 150 corridor;
