## OFFENSE

FROM PAGE B1

the Cats expect a run-by-committee approach in 2025.

"It's definitely going to be by committee," Stoops said. "That position takes a lot of hits. It's very physical. We have some players that are better suited for certain situations, and we're going to need them all."

Of course, UK coaches know their offense starts with the big guys up front — another area in which Stoops has seen growth.

"I feel like there's most definitely improvement," he said. "There sure better be, right? I feel like there's improvement. I feel like there's good depth, and so I'm encouraged."

In lieu of a traditional

spring game, UK will host its Spring Showcase on Saturday at Kroger Field. The event is set to begin at 10 a.m., offering free attendance for fans to get a glimpse of the 2025 iteration of the Cats.
