safety. The use of railroad flat cars and other innovative approaches is an opportunity to immediately achieve efficiency and cost-savings. Soybean farmers look forward to continuing to work with rural stakeholders in making this a reality."

Established in 2007, the Soy Transportation

Coalition is composed of fourteen state soybean boards, the American Soybean Association, and the United Soybean Board. The goal of the organization is to position the soybean industry to benefit from a transportation system that delivers cost effective, reliable, and competitive service.

The Kentucky Soybean Promotion Board is a vot-

ing member of this innovative — and necessary — coalition. Kentucky farmers were represented until mid-June by Allen Pace of Ballard County and

Dan Pirtle of Graves County. These volunteer farmer-leaders were succeeded by Matt Moss of Fulton County and Mako Nesler of Graves County.

Meet Baby a 6 year old laid back and gentle female cat. She is a beautiful long haired grey and white tabby with some black stripes, a cute pink nose and green eyes. She is spayed and litter trained. Baby would be the perfect cat for seniors or kids. She is very clean and uses the litter box like a princess and only puts her back feet in. She is scared of the vacuum and gets hair balls from grooming herself which I give her medicine for when needed. She loves to knead hair whether it's on your head or a beard. I am sad to let her go since she has been with me her entire life. Come meet baby and see if she is the perfect addition to your family. Call or text Kerry at 270-401-3127
