# Letters to the Editor

Dear Editor,

As a constituent, I am writing to urge Representative James Comer to protect the Inflation Reduction Act (IRA), a critical piece of legislation that is already delivering significant benefits to Kentucky's First District. Through just two projects--Ascend Elements' battery recycling facility and LioChem's EV battery components manufacturing--the IRA is bringing \$169 million in investments to our community. These projects are not only creating jobs locally but are also contributing to a cleaner, more sustainable future.

Statewide, the impact is even more profound. The IRA is projected to generate over 2,500 jobs and attract \$2.6 billion in private investments. This is a transformative opportunity for Kentucky, positioning our state as a leader in the growing clean energy economy.

Representative Comer has a unique opportunity to champion these initiatives, ensuring that our district and state continue to benefit from the jobs, revenue, and innovation the IRA fosters. Protecting this legislation is not just about economic growth--it's about securing a brighter future for Kentucky families.

I urge Representative Comer to stand with his constituents and support the Inflation Reduction Act. Let's ensure Kentucky remains at the forefront of this economic and environmental progress.

Sincerely,  
Manuel E. Matos

Dear Editor,

The overwhelming generosity of the people of Central City, helped provide joy to children in need through Operation Christmas Child shoebox gifts this season. Across the U.S., the Samaritan's Purse project collected 10.5 million shoebox gifts in 2024. Combined with those collected from partnering countries in 2024, the ministry is now sending over 11.9 million shoebox gifts to children worldwide.

Shoebox packers brought joy and hope to children around the world through fun, full, personalized gifts. For many children, this is the first gift they have ever received. Each shoebox gift is a tangible expression of God's love, given to children in need around the world. Since 1993, Operation Christmas Child has collected and delivered more than 232 million gift-filled shoeboxes to children in more than 170 countries and territories.

Across the region, shoebox packers often shop for deals on shoebox items throughout the year, and many serve at a deeper level by becoming a year-round volunteer. Information about ways area participants can get involved year-round can also be found at [samaritanspurse.org/occ](https://samaritanspurse.org/occ).

Although local Central City drop-off locations for shoebox gifts are closed until Nov. 17 – 24, 2025, anyone can still be a part of this life-changing project by conveniently packing a shoebox gift online in just a few simple clicks at [samaritanspurse.org/buildonline](https://samaritanspurse.org/buildonline).

These simple gifts, packed with love, remind children around the world that they are loved and not forgotten.

Sincerely,  
Molly Miller
