PUBLIC NOTICE

EE Paradise Solar LLC is proposing to develop and construct the Paradise Solar Project, an up to 80-megawatt solar electric-generating facility located in Muhlenberg County, Kentucky, approximately three miles south of Central City.

The public is invited to learn more about the project through an in-person public information session on Thursday, September 25, 2025, from 5 p.m. – 7 p.m. Central Daylight Time at the Central City Convention Center located at 320 Golden Tide Ave, Central City, KY 42330. Light refreshments will be provided. The session will feature information stations with Project representatives available to discuss the proposed project and answer questions. For additional information about the project, visit the website at www.projectparadisesolar.com, call toll-free 1-855-617-6103, or send an email to: projectparadise@erm.com.

Advertising is the KEY

Top 9 Reasons to advertise frequently

1. People may not need your product or service today, but they may need it tomorrow.
2. Frequency builds trust.
3. Frequent advertising adds credibility to your message.
4. When an ad is seen frequently, it gets the consumer yearning for your service and they will take action to buy it.
5. Advertising frequently helps put your name out in front of the competition's.
6. Advertising frequently is a lot like repeatedly inviting a friend to come see you. One day, they are bound to visit!
7. Frequent advertising helps you build a steady source of incoming sales.
8. Out of sight, out of mind.
9. You make more money when you do! It's plain and simple.
