

LEGALS

ministration and faculty offices, clinical spaces, and simulation labs. Bids will be received through the Lynn Imaging Online Planroom Bid Submission site until 2:00pm EST, October 16, 2025. The contract documents may be examined, at no charge, through the Lynn Imaging Online Planroom Bid Submission site. Copies of the contract documents may be obtained at the office of Lynn Imaging located at 328 Old Vine Street, Lexington, KY 40507 upon payment of \$870.00 for each set. Any bidder, upon returning the contract documents promptly and in good condition, will be refunded the payment, and any non-bidder upon returning the contract documents will be refunded zero dollars (\$0). This project is subject to the Build America, Buy America Act (BABAA) requirements under Title IX of the Infrastructure Investment and Jobs Act (IIJA), Pub. L.177-58. Absent an approved waiver, all iron, steel, manufactured products, and construction materials used in this project must be produced in the United States, as further outlined by the Office of Management and Budgets regulation (reference 2 CFR 200) on the application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

LEGAL NOTICE

Notice is hereby given that Mountain Water District ("District") plans to file with the Public Service Commission ("PSC"), on or before September 19, 2025, a proposal to change its sewer leak adjustment policy effective October 19th, 2025. Currently, a customer qualifying for a sewer leak adjustment due to a water leak may only receive one adjustment per 12-month period. Under the proposed change, customers may receive an adjustment to the sewer portion of their bill for any billing period that they have a water leak after the leak is repaired. A person may examine this tariff filing at the District office located at 6332 Zebulon Hwy., in Pikeville, Kentucky; telephone (606) 631-9162. A person may examine this tariff filing at the PSC located at 211 Sower Boulevard, Frankfort, Kentucky, Monday - Friday, 8:00 am - 4:30 pm or on the PSC website at <http://psc.ky.gov>; telephone (502) 564-3940. A person may submit comments regarding this tariff filing by mail to the Public Service Commission, Post Office Box 615, Frankfort, KY 40602; or through its website at <http://psc.ky.gov>. The change to the sewer leak adjustment policy in the District's tariff is being proposed by the District, but the PSC may order a poli-

LEGALS

cy that differs from the proposal contained in this notice. A person may submit a timely written request for intervention by mail to the Public Service Commission, Post Office Box 615, Frankfort, KY 40602. The request for intervention must establish the grounds for the request including the status and interest of the party. If the PSC does not receive a written request for intervention within thirty (30) days of the initial publication or mailing of this notice, the PSC may take final action on the tariff filing.

PUBLIC NOTICE OF BLASTING SCHEDULE

Raven Coal LLC, 211 Hicks Branch, David KY, 41616, as required by 405 KAR 16:120 Section 3, hereby advises that they will conduct blasting at their surface mining operation located near the community of Pikeville in Pike County. The blasting operations will be conducted January 1 through December 31 from sunrise to sunset Monday through Saturday. The proposed blasting area lies along of KY 3416 near the head of the Left Fork of Island Creek. All access roads to the blast area, public and private, will be barricaded not less than ten minutes prior to each detonation. A "Warning Signal" consisting of a one (1) minute series of long siren blasts will be sounded five (5) minutes prior to the "Blast Signal". A "Blast Signal" consisting of a series of short siren blasts will be sounded one (1) minute prior to each surface blast. An "All Clear Signal" consisting of one (1) prolonged siren blast will be sounded following inspection of each surface blast area. All warning signals will be audible for at least one-half (½) mile from the blast area. All blasting will be conducted between sunrise and sunset except where an "unavoidable hazardous condition" exists in which case Raven Coal, LLC, will fully comply with the requirements of 405 KAR 16:120, Section 4. Electrical storms, the presence of lightning in thunderstorms, rain, and other atmospheric conditions which could cause premature detonations or landslides will be considered an "unavoidable hazardous condition" and may constitute grounds for an unscheduled emergency detonation if it is judged that delaying detonation will endanger the safety of personnel and public. Should such an emergency detonation be required, all normal blasting precautions and procedures will be observed after all persons within one-half mile of the blast area have been given "oral notice" of the unscheduled blast. Should conditions war-
