

BENGALS

FROM PAGE B4

to hold a 15-point, fourth-quarter lead against the Jets on Oct. 26, or missing a key tackle in the final minutes against Chicago a week later — have left the Bengals with little room for error.

As a result, the Bengals are assured their first losing record since 2020 and are likely to miss the postseason for the third straight year, despite boasting one of the league's best quarterback and receiving units.

"Obviously, we're not where we want to be, as a team or an organization, 4-9 is not good.

But we got four games to go and show high-level execution, high-level playmaking," Burrow said. "I'm going to relish the opportunity to go out and play with these guys, and continue to try to put on a show for everybody watching. I hope that comes across, and I hope that I know I'm going to continue to work hard to put myself in a good position to make plays."

WHAT'S WORKING

The Bengals were 10 of 12 on third down, with an 83.3% success rate, their best since 1991. The previous high was

77.8% (14 of 18) in a 2007 win over Tennessee.

WHAT NEEDS HELP

Covering tight ends remains a major weakness for Cincinnati's defense. Buffalo's tight ends had 11 catches for 137 yards and two touchdowns, exposing this ongoing problem.

STOCK UP

TE Mike Gesicki had a season-high six receptions for 86 yards and his first touchdown.

STOCK DOWN

S Geno Stone, who came into

the game tied for the league lead with 18 missed tackles, had three more, including one on Allen's key third-and-15 run.

INJURIES

DE Trey Hendrickson (hip/pelvis) missed five straight games. CB PJ Jules left Sunday's game with an ankle injury. Higgins returned after two concussion evaluations.

ROSTER MOVE

Wide receiver Jermaine Burton was waived on Monday. The second-year player was suspended for Sunday's game.

He did not appear in a game this season after having four catches for 107 yards in 14 games last year.

KEY NUMBERS

1-8: Cincinnati's record in out-of-division games.
60.8%: Decrease in Cincinnati's win probability percentage after Burrow's pick-6 (from 77% to 16.2%). That is the single biggest win probability swing on a play outside of the final 2 minutes since 2016.

WHAT'S NEXT

Next up, the Bengals host

AFC North rival Baltimore, currently 6-7 and one game out of the division lead after losing 27-22 to Pittsburgh. Cincinnati will try to sweep the season series for the first time since 2021 following its 32-14 win at Baltimore on Thanksgiving night.

The Oldham County Extension District Board will meet at 10 AM on Thursday, January 8 at the Oldham County Extension office located at 205 Parker Drive in LaGrange
