# BUSY WEEK ON THE PITCH

**BY MIKE FARNER**  
SPORTS EDITOR

SHEPHERDSVILLE – Averaging over four goals a game over the first two weeks of the regular season, the Bullitt Central Cougars added two more wins to the tally last week, beating Valley 5-4 and then cruising past Thomas Nelson.

Some of the success came late last week when the hot weather broke in the middle of the week. Playing on Thursday and Saturday, the Cougars, a team a little short on depth, did not need to make as many substitutions, leaving their best players on the field for longer period.

Of course, that meant Bullitt Central head coach Shilo Rayburn could keep senior Tripp O'Brien on the field for most of the game. In the two games last week, O'Brien scored five of the team's nine goals.

(On the night between the two wins, O'Brien scored four points for the football team. He kicked a pair of extra points and he scored a two-point conversion when he picked up a muffed snap and ran around the right end for the points. He also made a tackle on a punt.)

In the tough match at home against Valley, the Cougars needed everything that O'Brien could deliver. The senior was part of all of the team's goals in the 5-4 victory. O'Brien scored three times and also assisted on goals by sophomore Jack Utley and senior Adam Shaw. Robert Donaldson, a senior, also had an assist in the win.

On Saturday, the Cougars traveled the short distance over Highway-245 to play Thomas Nelson. Bullitt Central came away with a 4-1 victory.

O'Brien again had a strong outing as he scored twice

also assisted on a goal. Elijah Marcum and Declan Flaherty, both juniors, also scored for the Cougars in the win. The maroon and gray got assists from Wyatt Riggleman and Shaw.

Bullitt Central senior goalie Kaleb Meredith saved six shots to get the win.

The action last week left the Cougars with a 3-1 record. The Cougars played at North Bullitt in the first 23rd District game of the season on Wednesday. Bullitt Central is showing another district game on Monday when they will face Southern at home in a game with a 7:30 p.m. start time.

**BULLITT EAST ONE GAME**

Bullitt East ran into a problem last week that they had no control over. On Tuesday, the team was supposed to play, but a serious water main break forced all Bullitt County schools to cancel classes. Bullitt East had a home match scheduled with Shelby County, but Charger athletic director Kenny Hughes said that it was too late to switch the game to Shelbyville.

That left the team with just one match last week, a contest at Pleasure Ridge Park and the Chargers had nothing for their Sixth Region rivals as they dropped a 5-0 decision to the Panthers.

That loss left the Chargers with a 1-2-1 record after the first two weeks of the season. Bullitt East played its first 23rd District match on Tuesday against Southern and they will play Moore next Tuesday on the road.

**NORTH BULLITT WOES**

Playing twice last week, the North Bullitt Eagles could not muster enough offense to get a win. On Monday the team went on

the road and dropped an 8-0 decision to four-time defending 23rd District champion Moore. Three nights later, the Eagles played at home for the first time this season and fell to Shawnee 4-1.

The stats for the Eagles in the Shawnee game had not been posted by the weekend.

The green and gold are 0-3 entering the third week of the regular season. The Eagles hosted Bullitt Central on Wednesday of this week and they will play on Thursday on the road at Grayson County.

**GIRLS**

**Lady Chargers Win Two**

While out of state games are fairly common in many high school sports, that is not often the case for soccer. But the Bullitt East Lady Chargers got to do something a little different on Friday as they hosted Siegel High School, a team from Murfreesboro, Tenn.

The game was set up by former Lady Charger head coach Kassi Vanmeter. The game was given an extra boost as it was played on a Friday night when the football team was not playing, having a game over the weekend on Saturday in Bowling Green.

The Tennessee school picked up a nice win as they secured a 2-0 victory, snapping a three-game Bullitt East winning streak. Siegel just came to Mount Washington for the one game and then returned home, not playing another Louisville area school the day before or after.

Bullitt East did pick up a pair of wins earlier in the week. On Monday, the team crushed Brown 9-0. The game was stopped at halftime as the Lady Chargers already

had a lead of at least eight goals. The red and gold got three goals from junior Presley Robinson along with two goals and two assists by senior Savannah Mooney. Mikenna Chitwood also scored twice and assisted on another goal. The Lady Chargers also got goals from Avery Adams and Bethany Wheeler. Adams also assisted on two goals while Ryan Burkett also had an assist. For the second time this season, Bullitt East did not have to turn back a shot as Sophia Price and Katlyn McDonald both spent time between the pipes.

On Wednesday, the Lady Chargers had to work a little harder, but did finally get the win as they turned back visiting Martha Layne Collins 3-0.

Robinson had two of the goals while Adams also scored. The red and gold got assists from Adams, Savannah Mooney and Anna Tinelli.

For the third time this season, the Lady Chargers did not give up a shot on goal. Price got the shutout as she was in goal for the whole game.

After matches earlier this week against Oldham County and Ballard, the Lady Chargers will be at home on Thursday to face new 23rd District rival Moore. Bullitt East will then be off for the holiday weekend before hosting North Hardin on Wednesday, September 3.

**BC Rolls to Two Wins**

After a tie to start the week on Monday, the Bullitt Central Lady Cougars put the offense in high gear late in the week. On Wednesday, they beat Thomas Nelson at home 7-2 and then cruised past Pleasure Ridge park 7-0 on the road on Saturday.

In the tie on Monday against John Hardin, the Lady Cougars got a goal from Savannah McKendree while McKendree also assisted on a goal by Rosalyn Marcum. Bullitt Central goal keeper Malia Hagan turned back 24 shots to help secure the tie.

Against Thomas Nelson, Bullitt Central youthful front line dominated the match before winning 7-2. McKendree, a sophomore, scored four times and assisted on two other goals. Marcum, who is just a freshman, scored twice while sophomore Faith Carter added a goal. The maroon and gray also got two assists from freshman Gabbie Turbeville and one from junior Cami Bickett.

Hagan was the winning goalie as she turned back eight shots.

Against PRP, the Lady Cougars kept attacking. McKendreescored four times while Bickett had two goals and an assist. The maroon and gray also got a goal and an assist from Marcum. Turbeville and senior Olivia Graves each had an assist.

Hagan stopped eight shots to get the shutout win.

After two weeks, the Lady Cougars have a 2-1-2 record. Bullitt Central played at North Bullitt on Wednesday of this week and they will play at Henry County on Friday and will host Male on Saturday at 11 a.m. Next week, the team will play a pair of 23rd District games, facing Southern at home on Monday and traveling to Moore on Tuesday.

**Lady Eagles Stumble**

The start of the 2025 season has not been what veteran head coach Amber Mink was hoping for as a busy first two weeks has led to a 0-6 record. Two of those lasses came last week as the green and gold lost to Pleasure Ridge Park 4-1 and then lost to John Hardin 9-1.

In the loss to PRP, Brianna Arnett had the lone goal on an assist from Emma Bolt.

Against PRP, Bolt had an assist, this time feeding Kihnley Eldridge for the score

Mink used junior Celia Sweatt in goal in both games last week, moving senior Kotey Hill out onto the field to try and jog her team out of its rut.

The Lady Eagles had the match against Bullitt Central on Wednesday of this week. After eight games in the first two and a half weeks of the season, the Lady Eagles will get a week off around the Labor Day holiday, not playing again until hosting Fairdale next Wednesday.

## LEGAL NOTICE

**ADVERTISEMENT FOR BID**

Sealed bids will be accepted electronically in the Louisville Water Company Purchasing Department electronic bidding portal at <https://louisvillewater.bonfirehub.com/portal/> up to 11:00 am, EST on the bid opening date indicated for the following:

Bid: 25-42 / Project 17174 / Private Lead Service Renewals – Master Agreement

Project consists of the identification and documentation of water service materials and replacement of service lines found to contain materials requiring replacement under Louisville Water Company's Lead and Copper rule compliance strategies. Replacement of lead and/or galvanized services to be performed by licensed plumber. Contractor to provide all materials and perform all items outlined in the project scope of work.

Pre-Bid meeting 11:30am Eastern Timeon September 3, 2025 will be held at 550 South 3rd Street, Louisville, KY 40202. Please see guard on duty. Attendance is strongly recommended.

Bid Close (Submittal Due) Date: September 10, 2025 11:00am Eastern Time Estimated Contract Value is \$1,000,000 to \$3,000,000

Prime Contractor shall be prequalified by LWC in the following categories: 1" and Smaller Water Services with a minimum bid limit of \$250,000.

Buyer: Renee Fromme (502) 272-4638, Email: [rfromme@louisvillewater.com](mailto:rfromme@louisvillewater.com)

Bidding Documents are available from Louisville Water Eplanroom at [www.lwckyplanroom.com](http://www.lwckyplanroom.com). Bid Table is available via electronic download from the electronic bidding portal at <https://louisvillewater.com.bonfirehub.com/portal/>.
