

Fun for the whole family at Family Fest

SHEPHERDSVILLE — The whole family was able to enjoy a good time at the Shepherdsville City Park during Family Fest.

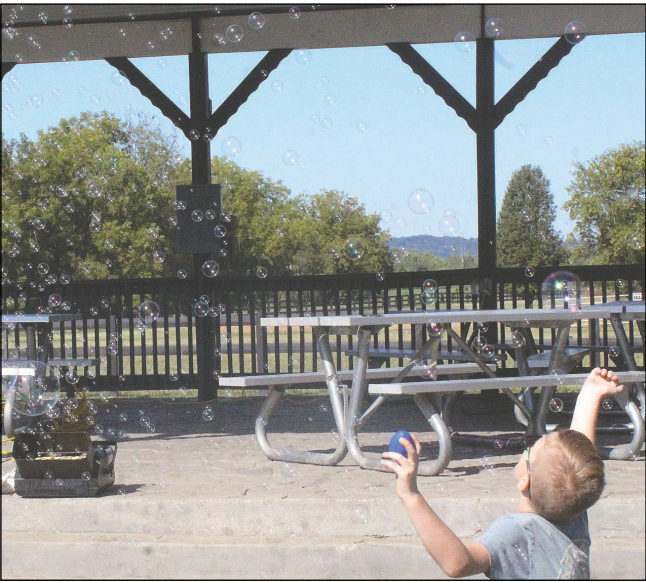

Hosted by the Bullitt county Health Department’s Coalition for Recreation, Education and Wellness (CREW), Family Fest provided fun activities for area families to enjoy together.

The event coincided with the nearby Shepherdsville Farmers Market to provide extra stimulus for families visiting both events in one trip.

Family Fest was sponsored by Abound Credit Union and the Ohio Valley Educational Cooperative (OVEC). The event was funded in part by a Maternal Child Health grant through Healthy People Active Communities.

Heffley takes pride in customer service

BY THOMAS J. BARR
THE PIONEER NEWS

SHEPHERDSVILLE – Imagine calling a place of business and having a live human at the other end of the phone.

Many businesses have gone away from having that live person but knot at John Heffley Plumbing.

For over 30 years, the local plumbing business has been serving the people of Bullitt and surrounding counties.

Johnny Barton, the owner since 2023, was recently present to cut the ribbon when his business joined the Bullitt County Chamber of Commerce.

After working a few years with John Heffley, Barton said he decided to purchase the business.

A majority of the service calls deal with residential customers. But around 20 percent of the business is commercial. The company does not do industrial work.

From water heaters, sewer camera inspections,

drain cleaning and those leaks, John Heffley Plumbing can take care of your needs.

Barton said it is nice that the public knows a live person will answer their calls. And they are always there to give advice when questions are asked.

The four employees all have extensive experience in the field and they are on call 24/7. It is the personal touch that Barton said sets his business apart.

“They love speaking to us,” said Barton. “They know us by name.”

At the same time, personally knowing the customers sets the level of expectations just a little higher.

“They trust us because they know us,” said Barton.

The employees are certified and licensed. They are insured.

“We are well-established,” said Barton.

For more information, contact John Heffley Plumbing at 502-955-5620.

Cornerstone can make your home waterproof

BY THOMAS J. BARR
THE PIONEER NEWS

LOUISVILLE – Justin Glass grew up in the construction business.

After working for other companies, he realized a dream to own his own business.

Cornerstone Construction Waterproofing Specialist was born and recently joined the Bullitt County Chamber of Commerce.

The focus of the business is waterproofing.

Operating in Louisville and surrounding areas, Glass said that making sure homes and businesses have the proper “bones” is the key to the business. Much of their work comes from real estate agents

who need work done on homes as part of the inspection process.

If someone has mold, vapors or moisture in their structure, Cornerstone experts will make a free inspection. They will inspect the crawl spaces to observe what is causing the issues.

They can clean the space and install drainage systems, if needed. The company can encase the areas to prevent from future issues.

As part of its waterproofing mission, Glass said if your basement has cracks or leaks, Cornerstone is your answer.

He said inspecting those basement walls for leaks is the first step. And then waterproofing the walls and determine if a drainage system is needed

is the customary process.

Glass and his wife, Alexis, are pleased to expand their business to Bullitt County. Look on their Facebook site or call 502-502-492-2376 for more information on how Cornerstone Construction Waterproofing Specialist can help.
