Blue Grass Army Depot Notice of Availability

**Environmental Assessment (EA) and Draft Finding of No Significant Impact (FONSI) for the
 Construction of a Small Arms Ammunition Magazine
 Blue Grass Army Depot (BGAD), Kentucky**

The United States Army (Army) announces the availability of an EA and a Draft FONSI that assesses the cumulative effects of the potential environmental and socioeconomic impacts associated with the construction of a 170,000 ft² small arms ammunition magazine. The proposed action is needed due to the deteriorating condition of the existing small arms ammunition magazines. The existing warehouses were constructed during World War II and the design is no longer adequate for the storage of large quantities of ammunition. The proposed action would move small arms ammunition storage to a further interior location inside the restricted area, creating a larger safety buffer to a major public traffic route. This proposed action is needed to provide safe and efficient facilities to meet current and future installation mission requirements.

The EA and Draft FONSI are available for public review at the following address:
[\[https://www.bluegrass.army.mil/Environmental.aspx\]](https://www.bluegrass.army.mil/Environmental.aspx).

Interested parties are encouraged to send comments on the EA and Draft FONSI via-email to BGAD's Public Affairs Officer, at usarmy.bluegrass.jmc.mbx.bgad-pao@army.mil. Alternatively, comments may be sent via US Postal Service to his attention at Blue Grass Army Depot, 431 Battlefield Memorial Highway, Richmond, KY 40475. For any general questions, PAO can be reached at (859) 779-6941. All comments must be submitted on or before **Tuesday, June 3, 2025**. The comments received by this date will be reviewed and addressed prior to a final determination by the Army as to whether to issue a Final FONSI or issue a Notice of Intent to prepare an Environmental Impact Statement.
