# KSP Announces Traffic Safety Checkpoints

The Kentucky State Police (KSP) will be conducting traffic safety checkpoints throughout the Post 2 district, to check motorists for compliance with motor vehicle laws including driving under the influence statutes. KSP utilizes traffic safety checkpoints to promote safety for motorists using the public roadways and to provide a deterrent for those who violate laws contained in the Kentucky Revised Statutes.

The intent of a traffic safety checkpoint is to provide for a high visibility, public safety service, focusing on vehicular equipment deficiencies, confirming appropriate registration and insurance of vehicles, and the valid licensing of drivers. Violations of law or other public safety issues

that arise shall also be addressed.

Traffic safety checkpoints will allow the Kentucky State Police the opportunity to periodically concentrate its efforts in checking for violations of Kentucky traffic and regulatory laws that will ultimately increase the safety of the citizens within the Commonwealth. Drivers encountering a traffic safety checkpoint are requested to have their operator's license, vehicle registration receipt, and proof of insurance readily accessible. Drivers with this information in hand, those with no violations of law and minimal roadway congestion can reasonably expect to be delayed for only a brief time period.

## Improvements Made At Providence Athletic Field Prior To Season

When Webster Youth baseball and softball games opened at Providence City Park recently, two members of the Jack McDowell VFW Post 5484 were there to hang a new flag to fly over Glen E. Cobb Field.

The Providence Tourism Committee works in tandem with other organizations to be sure the park in a safe and beautiful place for children to participate in sports, play on the playground and enjoy the outdoors.

Without the help of many agencies including the VFW and city

some activities would not take place, and many park improvements would go undone. VFW Post Commander Mike Whitfield and veteran Ronnie Hill took time to hang the new flag the night of the opening games for the 2025 season. City employee Bobby Embrey painted the flagpole days earlier. Their work to ensure the park in always usable is appreciated by many.
