TEXAS TIDBITS

How can it be already June 2025, with summer here and students home for fun with their families? June our sixth month is named for the Roman goddess, Juno (patroness of marriage, meaning young people). Many weddings are planned for the month of June and some years back many girls were named June. June 20 is Solstice, the longest day of the year all over the earth. Wonderful summer days are ahead for all to enjoy in Washington County, take advantage of the great event coming.

Congratulations to each young lady participating in the DYW at Washington County High School.

Our young friend, Rosalie Swartz of Gravel

Switch celebrated her 15th birthday with her life friend, Jean Esper of West Texas Lane on May 24, 2025.

The Smith Family enjoyed a Memorial Day gathering at the home of George and Pam Yates in Springfield with an abundance of food and fun.

When two first cousins are out together on a short road trip, there must be plenty to share, Just ask Janice Tingle and Wanda Kaye Thompson.

QUOTE of the WEEK: "I cannot speak, but I can listen. I cannot be seen, but I can be heard. So, as you stand upon a shore gazing at a beautiful sea, as you are looking upon a flower and admiring its simplicity, remember me." Margaret Mead
