PUBLIC NOTICE

Request for Qualifications for Engineering Services

The City of Campton is soliciting qualifications from consulting engineers for the Calaboose and Red River Pump Station Replacement Project in Wolfe County, Kentucky.

The City of Campton is pursuing projects that focus on the replacement of pump stations that serve as pressure-boosting facilities within a distribution network. The proposed upgrades will modernize these facilities to meet current regulatory and operational standards.

The City of Campton is seeking the technical assistance of a qualified Engineering consulting firm to assist them in the development, planning, design, and construction observation of qualified projects.

Minimum requirements include previous experience in engineering on similar projects.

All interested parties and firms should contact the City of Campton C/O Kentucky River ADD, 941 N. Main Street, Hazard, Kentucky 41701, (606) 436-3158, trevor@kradd.org, attention: Trevor Pollard, to obtain an information packet.

Respondents should submit minimum of six (6) copies of their statement in a sealed envelope clearly marked “City of Campton - Engineering Services – Calaboose and Red River Pump Station Replacement Project” no later than 4:00 p.m. on January 5, 2026. Submittals should be made to Trevor Pollard, Community Development Planner, Kentucky River ADD, 941 N. Main Street, Hazard, KY 41701. The City of Campton reserves the right to reject any or all proposals.

Attention is particularly called to the requirements as to conditions of employment to be observed under the contract, Section 3, Segregated Facility, Section 109, Title VI, Section 504 and EO 11246. Local, minority, and female owned firms are particularly encouraged to participate. The City of Campton is an Equal Opportunity Employer.
