

# 2025-2026 Kentucky fishing and hunting licenses available now

## March 1 starts the new license year for outdoor recreation in Kentucky

FRANKFORT, Ky. — Licenses and permits are available now to fish, hunt and trap in Kentucky in the coming license year, beginning March 1. With some of the finest outdoor opportunities available anywhere, Kentucky’s fields, woods and waterways provide adventure for avid outdoors enthusiasts and newcomers alike.

The 2025-2026 license year starts Saturday, March 1, and runs through Feb. 28 of next year. License and permit fees for Kentucky residents are unchanged from the 2024-2025 license year, which lasts until Friday, and most non-resident fees will remain the same.

In Kentucky, a license covers basic hunting or fishing for many species, whereas additional state permits are required when pursuing specific other species, such as fishing for trout or hunting for migratory birds, deer, wild turkey or black bear. Sportsmen’s-type licenses include multiple permits as well as basic hunting and fishing privileges.

For the 2025-2026 license year, prices for four non-resident options reflect a moderate fee increase, including:

- Annual Hunting License (nonresident) - \$160
- Spring Turkey Permit (non-resident) - \$110
- Fall Turkey Permit (non-resident) - \$110
- Deer Permit (non-resident) - \$235

Introduced last year, the resident Senior Lifetime Sportsman’s License remains priced at \$180. It includes hunting and fishing licenses plus permits for trout, deer, spring and fall turkey, migratory game birds and waterfowl. It is available to Kentucky residents aged 65 and older, who can purchase it once and then simply carry an electronic copy or reprint each year to display the current license year.

Seniors in Kentucky still have the option to purchase an annual Senior Sportsman’s License that provides the same licenses and permits for the license year for just \$12. Resident anglers have the option to purchase an annual Fishing License for \$23 or a 3-year Fishing License for added convenience and value at just \$55.

Licenses and permits are sold online through Kentucky Fish and Wildlife’s website License Sales portal, searchable off the homepage at fw.ky.gov.

SPRINGFIELD, IL – The Illinois Department of Agriculture (IDOA) is excited to announce the return of the Illinois Product Expo, taking place on March 1st and 2nd in the Orr Building at the Illinois State Fairgrounds.
