LEGAL NOTICE

CITY OF GLASGOW, KENTUCKY
SUMMARY OF ORDINANCE NO. 2026-3100
AN ORDINANCE TO REGULATE THE OPERATION OF ELECTRIC BICYCLES AND ELECTRIC SCOOTERS, ESTABLISH SAFETY REQUIREMENTS, PROVIDE OPERATIONAL STANDARDS FOR JUVENILES, RESTRICT USE IN CERTAIN PUBLIC AREAS, AND PROVIDE FOR ENFORCEMENT.
SUMMARY OF MAIN POINTS
This Ordinance sets safety rules for electric bicycles ("E-bikes") and electric scooters ("E-scooters") operated anywhere within the City limits. In summary, the ordinance provides as follows:
Purpose and coverage. The ordinance is intended to reduce unsafe operation, protect pedestrians and motorists, and promote responsible use. It applies to every person who operates an E-bike or E-scooter within the City. It defines Class 1, Class 2, and Class 3 E-bikes, E-scooters, juveniles (persons under 18), and "public property" (including streets, sidewalks, trails, parks, and public parking areas).
Age limits. A child under 12 may not operate an E-bike or E-scooter on public property unless directly supervised by a parent, legal guardian, or responsible adult. No one under 16 may operate a Class 3 E-bike or an E-scooter capable of exceeding 20 miles per hour. Juveniles may operate Class 1 and Class 2 E-bikes and E-scooters subject to the ordinance.
Helmets. Every operator under 18 must wear a properly fitted, securely fastened helmet that meets U.S. Consumer Product Safety Commission standards.
General operating rules. Operators must obey traffic laws and traffic-control devices; yield to pedestrians; use bicycle lanes where available unless unsafe or impractical; keep at least one hand on the handlebars; refrain from using a handheld electronic device; not wear headphones or earbuds in both ears; not carry passengers unless the device is designed for them; not race, perform stunts or wheelies, or ride recklessly; travel at a reasonable and prudent speed; and ride in the same direction as traffic unless signs or markings allow otherwise.
Sidewalks. A child 12 or younger may ride a Class 1 or Class 2 E-bike or an E-scooter on a residential sidewalk only under the direct supervision of an adult at least 18 years old. Anyone permitted to ride on a residential sidewalk must yield to pedestrians, give an audible warning before overtaking them, keep to 10 miles per hour or a lower reasonable speed, and slow near intersections, driveways, and crosswalks. E-bikes and E-scooters may not be operated on sidewalks in commercial, downtown, mixed-use, industrial, or other non-residential districts unless the City expressly authorizes it. The City may restrict operation on specific sidewalks, trails, parks, or facilities by posted signage.
Parks and trails. Operation is prohibited on all City-owned, operated, or maintained park property, including park grounds, walking areas, playgrounds, athletic fields, and splash pads, except as the ordinance specifically allows. Devices may be used in designated park parking lots solely to enter, exit, park, or reach areas where operation is otherwise permitted. The City may adopt additional restrictions or designated areas for parks, trails, and recreational facilities.
School zones. Operators must obey posted school zone speed limits and traffic-control devices, follow the directions of crossing guards and school safety personnel, and use increased caution during school arrival and dismissal.
Nighttime equipment. Between sunset and sunrise, every E-bike and E-scooter must have a white front light and a red rear light or reflector, each visible from at least 500 feet, along with side reflectors or reflective material visible from both directions.
Identification and modifications. Manufacturer identification and serial numbers must be retained and may not be knowingly removed, altered, obscured, or defaced. No person may modify an E-bike or E-scooter to exceed its manufacturer-rated assisted speed, disable speed-limiting devices, increase motor output beyond manufacturer specifications, or circumvent the E-bike classifications or safety requirements. All E-bikes, of every class, must be equipped with left and right handlebar mirrors.
Parental responsibility. A parent or legal guardian may not knowingly permit or authorize a juvenile to violate the ordinance.
Enforcement and penalties. The Glasgow Police Department and other authorized officers will enforce the ordinance through courtesy warnings and educational information, written warnings, civil citations, referral for legal action as permitted by law, and other remedies authorized by Kentucky law. A violation may result in a warning or citation, and a citation may result in fines or other penalties as provided by applicable law. After more than three (3) violations or offenses, or continued disregard of the ordinance, an E-bike or E-scooter may be impounded as permitted by law.
Severability and effective date. If any part of the ordinance is held invalid, the remaining parts stay in effect. The ordinance takes effect upon adoption, execution, and publication.
FULL TEXT: The ordinance does not contain any section imposing a tax or fee requiring publication of full text under KRS 83A.060(9)(c). The complete text of Ordinance No. 2026-3100 is available for public inspection at the office of the Glasgow City Clerk, 126 East Public Square, Glasgow, Kentucky 42141, during regular business hours.
