 ★★★★★ **Lightweight Wheelchair** 01/09/25

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.

855-520-6122
 *13.5 lbs. with the rear wheels removed. Overall weight, with rear wheels, is 19 lbs.
