Transportation Cabinet to Hold Public Meeting on
 May 7, 2026 (5 p.m. to 7 p.m.) for Reconnecting Central Portland to the Riverfront
 The Kentucky Transportation Cabinet will hold a public meeting on Thursday, May 7, for the Reconnecting Central Portland to the Riverfront project to gather input on alternatives to improve connections between the Portland neighborhood and the Ohio Riverfront, between 17th Street and 28th Street along the I-64 corridor in downtown Louisville.
 The open-house style public meeting will take place from 5 p.m. to 7 p.m. at the Molly Leonard Portland Community Center (640 North 27th Street, Louisville, Ky.) on Thursday, May 7. Interested members of the public are encouraged to attend to review project information, discuss the project with the team and provide input.
 Project components include 22nd Street from Bank Street to Northwestern Parkway, the I-64/22nd Street interchange, pedestrian bridges over I-64, the McAlpine Locks/Lannan Park access road, and right-of-way edge treatment along I-64. Outreach will continue throughout the project, with a second public meeting anticipated later this year to gather input to help the project team select preferred alternatives to advance to the final design phase in 2027. Construction is expected to start in 2028, dependent on funding availability.
 For more information, visit the KYTC District 5 webpage at <https://transportation.ky.gov/DistrictFive> and select "Reconnecting Central Portland" under Featured Projects in Jefferson County.
 All written comments will become part of the official meeting record. Once compiled, the meeting record and supporting documentation will be available for review and copying only after an open records request has been received and approved. All open records requests must be submitted to the Transportation Cabinet, Office of Legal Services, Transportation Office Building (200 Mero St, Frankfort, KY 40622), or via kytc.openrecords@ky.gov.
 In accordance with the Americans with Disabilities Act (ADA), if anyone has a disability and requires accommodations, please notify KYTC no later than Thursday, April 23. Please call (502) 764-0481 or mail your request to the KYTC District 5 Office, 8310 Westport Road, Louisville, KY 40242. ★★★★★ **Lightweight Wheelchair**

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.
