

Salute Our First Responders

Burkesville Volunteer Fire Department

Members of the Burkesville Volunteer Fire Department don't just respond to fires throughout the county. They also respond to every accident, many other ambulance calls, and any search and rescue calls as well. Pictured here are some of the volunteers who keep you and your property safe at the risk of their own lives: Caleb Finley, Holden Tweedy, Greg Cooksey, Bart Capps, Parker Scott, Clay Capps, John Riley, Ricky Fletcher, James Capps and Greg Cary. Firefighters not pictured are: Bobby Cary, Ethan Cary, Jeremy Cooksey, Joshua Cooksey, Brandon Cross, Harvey Graves, Justin Graves, Parker Hickman, Michael Huff, Will Huff, John McCloughan, Trever Owsley, John Rowe, JR Thacker, Tyler Thacker, Daryl Thompson, Hunter Tweedy, Mark Vibbert, Gary White, Derric Williams, Tony Wright,

Cumberland County Rescue Squad

The members of the Cumberland County Rescue Squad respond throughout the county to search for individuals, young and old, who have gone missing. Their Captain, William Norris, said many of their searches are for individuals who are confused or suffer from some health condition and get lost in the woods. Members available for the photograph were: James Mooney, Carl Jenkins, Tammy Cary, Floyd Thacker, Susie Thacker, Carolyn Beatty, Brookey Brown, Caleb Finley, Greg Cary, McKayla Beaty, Tyler Beaty and William Norris. These individuals are volunteers who help their community when people are almost at need, and I've paid nothing for it. In fact, like our firefighters, many spend their own money to be able to provide this protection for us.
