NFL

From Page B1

are meeting on NBC's Sunday night package, the second-most played matchup since the network started the package in 2016.

Dallas is always a national television draw as "America's Team," and New York could get more primetime exposure with Super Bowl winner John Harbaugh in his first year coaching the Giants and Jaxson Dart established as the franchise quarterback coming off his eventful rookie year.

This also could be the NFL debuts for a pair of former Ohio State teammates: Giants linebacker Arvell Reese, taken with the fifth pick, and Cowboys safety Caleb Downs, drafted not long after at No. 11.

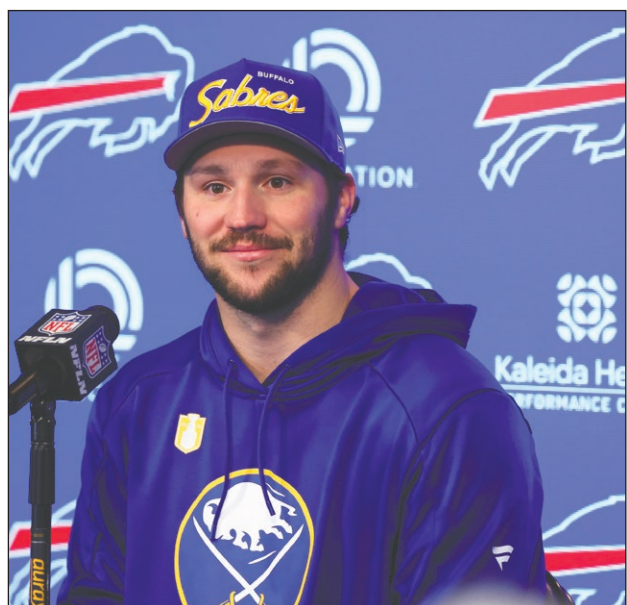

This will only be the third time, and first since 2014, that the Eagles will be the Cowboys' Thanksgiving opponent.

Dallas has won its past four Thanksgiving games, including a 31-28 victory over the Kansas City Chiefs last year.

The late afternoon Thanksgiving game is traditionally the most viewed of the regular season. Last year's game averaged 57.23 million viewers on CBS, making it the most-watched regular-season game in league history.

This will be the second straight season Philadelphia will have the spotlight on Thanksgiving week. Jalen Hurts and the Eagles hosted last year's Black Friday game and lost to the Chicago Bears 24-15.

Monday's announcements mean the Cowboys know the dates for three of their 17 games. It was announced a couple of weeks ago their game in Rio de Janeiro against the Baltimore Ravens will take place in Week 3 on Sept. 27 and air on CBS.

BENGALS PLAY FALCONS IN SPAIN ON NOV. 8

NEW YORK (AP) The Denver Broncos and Kansas City Chiefs will play Sept. 14 in the first game of ESPN's "Monday Night Football" schedule.

Where that game will be played was not part of Tuesday morning's announcement. The location has not been determined yet with the NFL still finalizing things ahead of Thursday night's 2026 season schedule release.

The Cincinnati Bengals will play the Atlanta Falcons in Madrid on Nov. 8 as part of the NFL-record nine international games in 2026 spanning span four continents, seven countries and eight stadiums. This game announced Tuesday afternoon will be played at Bernabéu Stadium, home of Real Madrid C.F.

The NFL will be playing at Bernabéu Stadium for a second straight season. Miami beat Washington in Madrid last year.

Another unknown is whether two-time NFL MVP Patrick Mahomes will be available for the Chiefs' season opener. His goal is to be ready for Week 1. The Chiefs quarterback tore the ACL and LCL in his left knee on Dec. 14 in the final minutes of a loss to the Chargers, which effectively eliminated the Chiefs from playoff contention.

Quarterback Bo Nix is expected to be ready for training camp after breaking a bone in his right ankle on Jan. 18 during the AFC playoffs. Denver finished last season losing the AFC championship game to New England.

More matchups will be revealed before the NFL releases the complete schedule tonight.
