KEELIN

From Page C1

Then they laughed in agreement, seemingly acknowledging the humor in her wisdom. Or the wisdom in her humor. I'm not sure which.

I immediately thought of the lyrics in "Me and Bobby McGee." "Freedom is just another word for nothing left to lose." "Nothin' ain't worth nothin', but it's free".

Oh, the melancholy of Kristofferson's song!

The tragedy is that this earthly way to freedom comes at a terrible cost: everything is lost, and we're left with the poverty of our soul.

I was also reminded of Ringo's poignant lines: "You got to pay your dues if you wanna sing the blues. And you know it don't come easy."

Thankfully, these thoughts were a short-lived diversion.

I know that I know that I know, brokenness is a gateway to freedom, when rightly sown.

If we give God the pieces, He can set them in all the right places, in just the right ways. And restore and beautify us in the process.

Our failures transform into giftedness. This giftedness must be unearthed and put into good use.

When we are unrestrained by brokenness, He releases us to embrace richness and fullness of soul.

My friend knows this so well. This freedom also comes with a great price.

It cost the life of God's Son. So "nothing left to lose" really means that our loss is over and done with. Its through.

"If the Son sets you free, you are free through and through." (John 8:36)
